Holiday Justice The Justice Team Book 3:

Man Down, SEALs Of Shadow Force: Spy Division, Book 3 Misty Evans, 2022-01-15 Aiden McNamara once sold his soul to a beautiful spy. Now she's back to claim it. An expert at uncovering spy rings, Bree Russo McNamara is now labeled RED, retired, extremely dangerous by the CIA. With her specialized skill set, she's found a new home with Shadow Force International, but her current assignment may be the most challenging of her life: recruit her estranged husband to join SFI's spy division. She just has to remember not to shoot him first. Former Navy SEAL Aiden McNamara never intended to marry a smartass spy, much less the sexy agent provocateur he met in Vegas five years ago. Having been at the heart of Bree's last undercover op that nearly got them both killed, he knows better than to say yes to her request. But when has he ever denied her anything? As the two join forces to bring down a notorious spy ring inside the United States, will the passion simmering under the surface of their damaged love affair expose their deep cover mission? Or will they once more end up strange bedfellows and adversaries in a lethal game of covert ops? About the series: Shadow Force International, a group of former SEALs abandoned by the United States and labeled as rogue operatives, now work as a black ops team performing private intelligence, security, and paramilitary missions for those who have nowhere else to turn. Some of them find romance along the way and lose their hearts protecting those they love at all costs. He'll sacrifice everything to be her savior, but will she be his downfall? CIA Deputy Director Michael Stone is a decisive force in the war on terror. After surviving a harrowing terrorist attack that nearly killed him, he has also become an overwhelming force putting nothing above his job in order to keep his country safe. When his niece, the daughter of the Republican candidate for President, is kidnapped just days from the election, Michael vows to do whatever it takes to get her back safely and bring the kidnapper to justice. Dr. Brigit Kent, a consultant for Homeland Security, knows the kidnapper well. Exposing him, however, will also expose her sister's secret ties to a terrorist group. The only way to keep her sister safe is to cut a deal with the sexy and rock-solid deputy director, but blackmailing him can only lead to political and professional suicide. With the clock ticking on his niece's life, Michael has no choice but to accept Brigit's offer. She's beautiful, brilliant, and cunning, but is she friend or foe? The Canadian Department of Justice and the Completion of Confederation 1867-78 Jonathan Swainger,2011-11-01 The federal Department of Justice was established by John A Macdonald as part of the Conservative party s program for reform of the parliamentary system following Confederation Among other things it was charged with establishing national institutions such as the Supreme Court and the North West

Mounted Police and with centralizing the penitentiary system In the process the department took on a position of primary importance in post Confederation politics This was particularly so up to 1878 when Confederation was completed Jonathan Swainger considers the growth and development of the ostensibly apolitical Department of Justice in the eleven years after the union of 1867 Drawing on legal records and other archival documents he details the complex interactions between law and politics exploring how expectations both inside and outside the legal system created an environment in which the department acted as an advisor to the government He concludes by considering the post 1878 legacy of the department s approach to governance wherein any problem legal or otherwise was made amenable to politicized solutions Unfortunately for the department and the federal government this left them ill prepared for the constitutional battles to come One crucial task was to establish responsibilities within the federal government rather than just duplicate offices which had existed prior to union Others were the establishment of national or quasi national institutions such as the Supreme Court 1875 and the North West Mounted Police 1873 the redrafting of the Governor General s instructions which was done between 1875 and 1877 and centralization of the penitentiary system completed by 1875 The Department benefited from a deeply rooted expectation that law was both apolitical and necessary This ideology functioned in a variety of ways it gave the Department considerable latitude for setting policy and solving problems but rationalized the appearance of politicized legal decisions It also legitimized Department officials claim that it was especially suited to review all legislation advise on the royal prerogative of mercy administer national penitentiaries and appoint judges to the bench Ultimately the fictional notion of law as apolitical and necessary placed the Department of Justice squarely in the midst of the completion of Confederation The Canadian Department of Justice and the Completion of Confederation will be of particular interest to students and scholars of Canadian legal and political history
