Office of Education, 1917 *Questions in Aesthetic Education (RLE Edu K)* H Redfern, 2012-05-16 The Question of what aesthetic education is or might be is often a source of incomprehension This book opens up discussion of a complex difficult but highly important topic and offers an introductory survey of the whole area In examining the relationship of the concept of the aesthetic to that of art it challenges the persistent linking by many educationists of aesthetic with creative and the consequent neglect of critical reflection and appreciation **Minnesota Library Books for High Schools** Minnesota. Department of Education, 1918 **Library Books for High Schools** , 1918 **Bulletin** United States. Office of Education, 1918 **Sold on Language** Julie Sedivy, Greg Carlson, 2011-05-03 As citizens of capitalist free market societies we tend to celebrate choice and competition However in the 21st century as we have gained more and more choices we have also become greater targets for persuasive messages from advertisers who want to make those choices for us In *Sold on Language* noted language scientists Julie Sedivy and Greg Carlson examine how rampant competition shapes the ways in which commercial and political advertisers speak to us In an environment saturated with information advertising messages attempt to compress as much persuasive power into as small a linguistic space as possible These messages the authors reveal might take the form of a brand name whose sound evokes a certain impression a turn of phrase that gently applies peer pressure or a subtle accent that zeroes in on a target audience As more and more techniques of persuasion are aimed squarely at the corner of our mind which automatically takes in information without conscious thought or deliberation does endless choice actually mean the end of true choice *Sold on Language* offers thought provoking insights into the choices we make as consumers and citizens and the choices that are increasingly being made for us Click here for more discussion and debate on the authors blog <http://www.psychologytoday.com/blog/sold-language> Wiley disclaims all responsibility and liability for the content of any third party websites that can be linked to from this website Users assume sole responsibility for accessing third party websites and the use of any content appearing on such websites Any views expressed in such websites are the views of the authors of the content appearing on those websites and not the views of Wiley or its affiliates nor do they in any way represent an endorsement by Wiley or its affiliates **The Township and Community High School Movement in Illinois** Horace Adelbert Hollister, 1917 The Publishers Weekly , 1923 **The Literary World** , 1889
