Christianity South of the Zambezi Anthony J. Dachs, 1977 Singing Culture Ezra Chitando, 2002 This study examines the historical development social political and economic significance of gospel music in Zimbabwe It approaches music with Christian theological ideas and popular appeal as a cultural phenomenon with manifold implications Applying a history of religious approach to the study of a widespread religious phenomenon the study seeks to link religious studies with popular culture It argues that gospel music represents a valuable entry point into a discussion of contemporary African cultural production Gospel music successfully blends the musical traditions of Zimbabwe influences from other African countries and music styles from other parts of the world BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Behind the Smile** Stella Nonhlanhla Mkiliwane, 2023-07-19 About the Book Behind the Smile is based on true stories of overcoming adversity and turning bad situations into hopeful ones just by a change of attitude While you may be disgruntled by trials be it health or life in general if you change your perspective you can transform a negative situation into a positive one by using whatever you re going through to affirm your faith and trust in God and that he allows this into your life for your own good It s like turning lemons into lemonade These stories show nothing in life is permanent whether it s a desert or oasis part of the journey No matter what you re going through if you hold on it will soon pass There s an abundance of unmerited favor in God s storehouse with your name on it You just need to ask About the Author Stella Nonhlanhla Mkiliwane volunteers for the International Rescue Committee as a mentor for her Zimbabwean and other African communities She has also served as vice president of ZAWAC Zimbabwe Adventist Women Abroad Conference Texas from 2021 2023 She is an international development specialist systemic family therapist and a Christian Mkiliwane enjoys traveling and farming and gardening and is intrigued by politics and religion She is a mother of four two biological and two adopted who have already made her a proud grandmother The Church in Africa, 1450-1950 Adrian Hastings, 1996 Professor Hastings also compares the relation of Christian history to the comparable development of Islam in Africa **The International Journal of African Historical Studies** , 1972 **Ntsikana's Great Hymn** Janet Hodgson, 1980 *Culture and Customs of Zimbabwe* Oyekan Owomoyela, 2002-11-30 Zimbabwe formerly known as Rhodesia won its independence from Great Britain in 1980 yet continues to feel the impact of Western lifestyles and prejudices This rich accessible overview freshly examines Zimbabwe evoking the contemporary ways of life in a largely homogenous and agricultural country Students and general readers will discover an engaging narrative that ranges from an explanation of the beer culture to a powerful discussion of marriage family and gender roles from the Zimbabwean perspective Owomoyela also authoritatively conveys the coexistence of traditional and Western forces today in such areas as religion and music A chronology and glossary accompany the text Printing for Africa Frank Rosslyn Bradlow, 1987 *Recollections and Reflections* Athanasio Dzadagu, 2016-04-08 This book is an autobiographical account by Athanasio Dzadagu a former

Zimbabwean Catholic priest outlining and reflecting on the experiences he had in Britain during the period from 1996-2014. While indeed the book is largely about the author's own experiences as an immigrant, an African, and a Zimbabwean, in many ways it is also a reflection on the experiences of Zimbabweans in Britain. These include the challenge of being far away from home, the initial shock of finding their good English not understood, experiences while undertaking further studies, the challenge of an environment characterised by persistent negative headlines about Zimbabwe and its president Robert Mugabe, and the challenge of British social and cultural values. The book also opens the reader's eyes to how having come to Britain hoping to return to Zimbabwe as a high-flying academic to teach in the Major Seminary or any one of Zimbabwe's universities, Fr Dzadagu instead ended up leaving priesthood.
