for the guidance of teachers

0625 PHYSICS

0625/05/2

Paper 5 (Practicals, maximum raw mark 40)

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before meeting began, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

or – CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the October/November 2010 question papers for most IGCSE, OAC, Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.
