Jane Does Return English Edition:

A Return to the Common Reader Adelene Buckland, 2017-03-02 In 1957 Richard Altick's groundbreaking work *The English Common Reader* transformed the study of book history. Putting readers at the centre of literary culture, Altick anticipated and helped produce fifty years of scholarly inquiry into the ways and means by which the Victorians read. Now *A Return to the Common Reader* asks what Altick's concept of the common reader actually means in the wake of a half century of research. Digging deep into unusual and eclectic archives and hitherto overlooked sources, its authors give new understanding to the masses of newly literate readers who picked up books in the Victorian period. They find readers in prisons, in the barracks, and around the world, and they remind us of the power of those forgotten readers to find forbidden texts, shape new markets, and drive the production of new reading material across a century. Inspired and informed by Altick's seminal work, *A Return to the Common Reader* is a cutting edge collection which dramatically reconfigures our understanding of the ordinary Victorian readers whose efforts and choices changed our literary culture forever. **A**

Hundred Years of The Secret Garden Marion Gymnich, Imke Lichterfeld, 2012-11-20 Frances Hodgson Burnett published numerous works for an adult readership, but she is mainly remembered today for three novels written for children: *Little Lord Fauntleroy* (1886), *A Little Princess* (1905), and *The Secret Garden* (1911). This volume is dedicated to *The Secret Garden*. The articles address a wide range of issues, including the representation of the garden in Burnett's novel in the context of cultural history, the relationship between the concept of nature and female identity, the idea of therapeutic places, the notion of redemptive children in *The Secret Garden* and *Little Lord Fauntleroy*, the concept of male identity, constructions of Otherness, and the redefinition of Englishness. Film and anime versions of Burnett's classic. Noel Streatfeild's *The Painted Garden* as a rewriting of *The Secret Garden*. Attitudes towards food in children's classics and Burnett's novel in the context of Edwardian girlhood fiction and the tradition of the female novel of development. **St. Nicholas**, 1890 *Cooper's Fundamentals of*

Hand Therapy Christine M. Wietlisbach, 2019-11-03 Written for hand therapy specialists and non-specialists, *Cooper's Fundamentals of Hand Therapy*, 3rd Edition, emphasizes treatment fundamentals and provides tips and guidelines for hand therapy practice. This easy-to-use, illustrated text and reference guide helps further develop your clinical reasoning skills by describing what goes into the evaluation process, highlighting the humanistic side of each encounter through case studies, and providing the wisdom the contributing authors have acquired through years of practice. This new edition also features additional chapters on the use of common physical agents and orthoses, plus added content on how to integrate evidence-based findings into daily hand practice. **UPDATED** Chapter covering Orthoses. Essential Concepts reflects the latest information in the field. Case studies with questions and resolutions help you develop strong clinical reasoning skills while presenting the human side of each client encounter. Special features sections such as Questions to Discuss with the Physician, What to Say to Clients, Tips from the Field, and more help you find your own clinical voice. Anatomy sections throughout text.

highlight important anatomical bases of dysfunctions injuries or disorders Clinical Pearls highlight relevant information from an experienced author and contributors that you can apply to clinical practice in the future Evaluation Techniques and Tips help you master appropriate and thorough clinical evaluation of clients Diagnosis specific information in the final section of the book is well organized to give you quick access to the information you need NEW Chapter covering Physical Agent Modalities helps you understand how to use common hand therapy tools NEW Evidence Based Practice content outlines how to closely examine evidence and integrate it into daily hand therapy practice NEW Photos and illustrations throughout provide clear examples of tools techniques and therapies **A Selection of ...
