In passage 1, the author uses the literary element of setting to develop her passage and set the tone.

In the passage, the author describes the setting of where the narrator is in or to present the

loneliness and isolation that they are facing. For example, the author states "the lights have been

turned off in my shop and my people have gone out into the dusk." This describes the

loneliness of the narrator as everyone that he has know has deserted him and gone into the "dusk."

Another example is when the narrator states,

"I would rather stand, well hidden ~~near~~ the draperies, at an anonymous window which fronts

the sidewalk and the streets, no one goes by, the traffic becomes a flutter." This ~~pass~~ example

shows how the author conveys the narrator's isolation by isolating him from other people.
