Keep Your Fork Jim & Janis Davidson, 2024-04-25 The United States of America is drowning in a culture certain to keep us down The church the family the home our children are under attack from almost every direction We are losing ground with every passing day The America many of us grew up in no longer exists and the hopes of returning to a simpler and more moral climate seem to be fading Is there anything we can do Is there anyone we can turn to Is there hope of once again being in the land of the free and the home of the brave Jim Davidson has written this book to answer some of those questions Many
