Hogan, 2001-10-01 THE KNIGHT IS A SAINT with a twist At least you might think so if you read his curriculum vitae You would swear in fact that this private eye of the

future is honest paying for what he gets getting what he s paid for with somehow a little extra for everybody to go around  
Take this case involving a matter transmitter which the inventor tested on himself then found his bank accounts empty and  
his credit cards overflowing all done by someone whose DNA looks just like that of the rightful owner But that wasn t all  
There was also an archaeological expedition which had uncovered ruins that might solve the mystery of the Martian race that  
had vanished from the planet eons ago except that a greedy interplanetary corporation was all set to bulldoze them over in  
pursuit of the bottom line unless a gallant knight or Knight could come galloping up on his charger Then there were some  
people who were not amused at how the Knight had foiled a sure fire scheme worth billions and were looking for him with  
heavy muscle and heavier artillery People in trouble and people who are trouble just seem to populate his life and thank  
goodness because they are the very thing the Knight needs to keep his life from getting boring And the bad guys never seem  
to know what hits them At the publisher s request this title is sold without DRM Digital Rights Management Praise for James  
P Hogan Entertaining imaginative Readers will want to sign up for this ride Publishers Weekly fascinating notions and  
nonstop plot twists in a taut gripping narrative a bravura performance Kirkus Reviews cutting edge scientific approach truly
