humor and southern charm DYING FOR DINNER ROLLS Book 1 Catherine Cat Thompson has been held at gunpoint stuck in a burning dumpster chased out of a grocery store caught impersonating a police officer and almost run over by a wayward vehicle How s that for her first day as an amateur sleuth With her friend Annie Mae Cat investigates the brick paved oak lined streets of Savannah to catch their friend s killer But it s anything but smooth sailing for these self appointed detectives Can they catch the killer before the killer gets them Or will their first case also be their last MURDEROUS MUFFINS Book 2 Bezu is a beautiful southern belle with genteel manners Her problems however are anything but Deep in debt Bezu s illegally taken in a few lodgers A sweet stripper and her bodybuilder boyfriend an Asian man loudly learning English through pop music and a mysterious stranger with the most amazing blue green eyes and a secret And when one of the boarders dies with her muffins used as the murder weapon Bezu must catch the killer before she ends up in jail or worse HOMICIDE BY HAMLET Book 3 Annie Mae has one last job before she retires from a thirty year career in academia one week of summer theater camp Easy peasy she s worked at the camp for so many years she could do it with her eyes closed Until a team leader is murdered and all hell breaks loose Now everyone is a suspect and everyone has a secret And Annie Mae has to catch the killer before she becomes the next victim *Blueness* Karen Stensgaard,2019-01-01 When a bucket list cruise vacation becomes a nightmare Solo traveling can lead to enormous complications American businesswoman Kat Jensen begins an exciting well deserved vacation on board an old Danish clipper ship sailing from Copenhagen Denmark to Hong Kong but she regrets her decision from the moment she sees her cabin Before boarding she agreed to an 1860 re enactment dress code and digital detox But life aboard the no frills ship means going without modern plumbing and electricity After she hits her head and is nearly swept overboard in a storm Kat decides to cut her trip short in Southampton England the first port of call But returning home to modern day New York City from Victorian England isn t easy BLUENESS features a resilient businesswoman on an unforgettable adventure who unexpectedly gets mixed up in some time travel and romance What readers are saying Easy to read and enjoyed falling into another world Full of imagination Made me wonder what I would do if I found myself in that situation Fast paced full of twists and turns Eager to see the next book *Blueness* is a work of science fiction on the theme of time travel which was penned by author Karen Stensgaard and it forms the second novel of The Aquamarine Sea series Following the events of book one *Aquavit* we return to the life of the go getting businesswoman Kat Jensen as she determinedly boards her pleasure cruise to escape her busy life But on board the Danish clipper where digital tech is banned and a 19th century dress code is encouraged Kat soon realizes that the old timey adventure is more realistic than she thought Returning to modern day New York is going to be an eye opening and epic task with plenty of surprises along the way Author Karen Stensgaard presents a truly unique concept in this novel which forms part of a continuing series of bizarre adventures for her central heroine Kat The character development of both Kat and the people around her on the clipper is truly excellent adding a level of realism and relatability which stops the time travel plot becoming too clich d and

over the top The balance of genres is really well observed keeping the story interesting with unexpected twists but also grounding it emotionally with Kat s development arc and allowing readers to fall into this surreal and entertaining world with her One can only guess where the series will go next but overall Blueness is a thrilling adventure tale with plenty of laughs and is highly recommended for readers looking for a well written chick lit novel with a unique concept 5 Star K C Finn Readers Favorite The story follows a woman who is sent back in time The prose is clean and moves the story quickly and there is some evocative descriptive writing The plot moves along at a steady pace The characters are consistent and realized The central conceit of the novel a woman on a re enactment trip ends up actually back in time is quite clever The reactions of a modern middle aged woman stranded 150 years in the past can be interesting Critic s Report 2019 BookLife Prize Contest Sponsored by Publishers Weekly In this time slip novel a contemporary business woman embarks on a re enactment cruise aboard an authentic 1860s Danish sailing ship Kat Jensen soon regrets the choice when she realizes just how authentic the ship is with no electricity or running water Early in the voyage she is knocked unconscious during a storm and almost swept overboard Things take an even more shocking turn after she wakes up When the ship makes its first port of call in England Kat disembarks and discovers she actually has been transported back to the 1860 She now must deal with the cultural differences of this bygone era and figure out how to return to modern times The historical elements of this novel are nicely done It s clear the author did a great deal of research Her descriptions of 19th century food fashion and customs created a vivid picture of the period and setting The overall account of what it was like to travel by sea during that time is particularly dramatic and harrowing Independent Judge 27th Annual Writer s Digest Self Published Book Awards *Catalog of Copyright Entries* Library of Congress.
