Leaving The World:

Leaving World War II Behind David Swanson, 2020 This book documents the case that World War II happened in such a different world that it has little relevance to today's foreign policy as well as the case that U S participation in WWII was not justifiable Specifically WWII was not fought to rescue anyone from persecution was not necessary for defense was the most damaging and destructive event yet to occur and would not have happened had any one of these factors been missing World War I the manner in which WWI was ended U S funding and arming of Nazis a U S arms race with Japan U S development of racial segregation U S development of eugenics U S development of genocide and ethnic cleansing or the U S and British prioritization of opposing the Soviet Union at all costs The author corrects numerous misconceptions about the most popular and misunderstood war in western culture in order to build a case for moving to a world beyond war **The World's Work**, 1919 A history of our time **World Transformation** Jawara D. King D. D., 2006-10-24 Human unconsciousness which is identification with thought activity human emotions and the thinking mind is the only source of ALL the evil on planet Earth All evil is the result of humanity living in darkness not knowing who they are in their essence beyond their earthly names and physical forms which cause them to identify with the world of materiality The only solution to the darkness of humanity is the light of consciousness which is disidentification from egoic mind structures going with the flow of life instead of fighting against it acceptance of what is and surrendered action As we continue to transform individually the entire world is transformed because in essence we are all ONE Each ONE affects the whole causing World Transformation through the concept of ONENESS by way of the ONE spiritual energetic force that moves through ALL beings All organized religions were created by men to condition the masses to think in a certain way or to point beyond religious belief structures to the Infinite the formless consciousness we call God Accepting organized religion as the absolute truth instead of relative truth is the foundation for division and the destruction of the planet Without the transformation of human consciousness humans will destroy themselves each other and the planet and are already doing so If humanity continues to blindly believe the media organized religion and all the conditioning tools of the powerful ruling Elite who run the world without doing their own research they will be destroyed through lack of knowledge World Transformation A Guide To Personal Growth And Consciousness is a transformative book that discusses over 110 life changing topics to help spiritual seekers in their journeys in consciousness Learn to be the awareness that is aware of and doesn't become all that you observe World Transformation begins one person at a time As you change the whole world changes because you are a part of the ONE Consciousness Gandhi said be the change you want to see in the world As you follow his advice you become a positive force in the world One of the most important books of this generation One of the most profound spiritual books ever written Humanity will destroy themselves if they continue to blindly believe and follow the media politicians and organized religion which are all used by the ruling Elite to control the masses Most humans don't know what's going on because they allow entertainment the media

and other brainwashing tools to control their thinking Mark Twain said in religion and politics people s beliefs and convictions are in almost every case gotten at second hand and without examination from authorities who have not themselves examined the questions at issue but have taken them at second hand from other non examiners whose opinions about them were not worth a brass farthing Social religious and other forms of conditioning control the minds of humanity and will destroy them if they continue to accept ideals without analyzation It is a fact that none of the major religious figures of organized religion actually existed Their historicity is an unverifiable opinion Daniel Patrick Moynihan said everyone is entitled to their own opinion but not their own facts The existence of all the Saviour Gods are questionable Humanity only believes in them because of religious conditioning Humanity as a whole has lost their identity in the world of materiality also known as the world of form or the world of things To identify with something means to mistake a person place or thing for who you are the I AM before I AM a teacher lawyer doctor student etc Humans have confused millions of forms for their identity Your invisible indestructible eternal divine essence is consciousness Common false identities humans mistake for who they are in essence are their jobs cars degrees attractive spouse belief systems relationships knowledge physical appearance education clothes jewelry family history brand names social status special ability thoughts residence awards and achievements race religious or political affiliations sports music and MILLIONS of other things in the external world Hello World I am Jawara D King the writer of writers and the light at the end of the tunnel There is NOT ONE human being alive that will not benefit from reading my book Thankyou Ask questions or speak with Jawara King at [jawaraking yahoo com](mailto:jawaraking@yahoo.com)

Text Edward Augustus Freeman, 1881 English Prose Sir Henry Craik, 1894 A Commentary on the Gospel of John Samuel Mills, 2020-03-03 In 2008 Samuel was asked to teach an adult Bible study on the Gospel of John He wanted it to be rich in Bible background and as close as possible to what the Apostle John intended When the study concluded he then placed it on his website TrustinginJesus.com He has continued to work on this commentary it has been a work in progress for more than eleven years and is now read by thousands of visitors daily A Commentary on the Gospel of John has been used by pastors teachers missionaries Bible schools students and everyday people from perhaps every country It is clear and easy to understand and taken directly from the scriptures with no concern for denominational teachings It does not ramble but goes directly to the point the original writer was making This commentary is for people of all ages even the young and those whose first language is not English will find it informative entertaining and of great value Samuel s prayer is that it will be a blessing to you and your family for many years About the Author Samuel is the writer and webmaster of TrustinginJesus.com where he does commentaries writes Christian articles conducts Bible studies and answers questions and prayer requests His visitors come from every part of the world He was born again at a very young age As a teenager he reaffirmed his salvation and was baptized He grew up in a Christian family and is forever grateful for his Christian mother and father In earlier years he had a regular job flew airplanes rode motorcycles taught Sunday school and Bible studies and raised three beautiful

daughters In the 1990s Samuel felt a deep call from the Lord to do a personal in depth Bible study Three years later he closed the Bible and sat quietly with the Holy Spirit welling up within and barely able to contain the tears of joy Having gotten a foretaste of our awesome God he simply said What a great and wonderful God we have He had acquired a life changing knowledge and love for God s Word that he could have gotten in no other way It had increased his craving to know more and was the beginning of more Bible research and studies but more importantly it had given him a burning desire to share the Lord Jesus with the world Our God is unfathomable His love knowledge and power are like eternity it has no limits No matter your lot in life with Him every day is a new beginning Samuel Mills Please visit him at www.trustinginjesus.com
