While the World Watched Carolyn McKinstry, 2011-02-01 On September 15, 1963, a Klan-planted bomb went off in the 16th Street Baptist Church in Birmingham, Alabama. Fourteen-year-old Carolyn Maull was just a few feet away when the bomb exploded, killing four of her friends in the girl's restroom she had just exited. It was one of the seminal moments in the Civil Rights movement, a sad day in American history . . . and the turning point in a young girl's life. *While the World Watched* is a poignant and gripping eyewitness account of life in the Jim Crow South: from the bombings, riots, and assassinations to the historic marches and triumphs that characterized the Civil Rights movement. A uniquely moving exploration of how racial relations have evolved over the past 5 decades, *While the World Watched* is an incredible testament to how far we've come and how far we have yet to go.

A Gospel Generation Judith T. Lester, 2018-11-16 30 Bible Studies for Youth Groups and Classes Utilizing lessons from the Bible, these studies prompt youth to live their lives so as to exemplify the transforming presence of Christ by taking faith-based risks, focusing on their divinely given purpose, and daily making a difference for the glory of God. The five units, each containing six lessons, address (1) giving God one's all; (2) being open to God's mission; (3) speaking out to share Christ in the world (engaging in prophetic action); (4) becoming a people committed to discipleship and evangelization; and (5) living out the Gospel (the Good News). This GOSPEL/Good News-centered Series includes the following: - Student/Youth Bible Lessons; - Discussion Questions; - Small-group Prayer Guides/Activities; - Personal Prayer Devotional Guides; - People Service Focus Projects. The lessons are designed to touch the lives of young people around the world, encouraging them to fulfill their purpose as followers of Christ. These studies are inspired and utilized by Baptist youth who have participated in the development of the Baptist World Alliance Youth Department's Singapore Declaration.

The Story of Christian Music Andrew Wilson-Dickson, 2003 An illustrated introduction to the history and practice of Christian music. The main body of the text goes through the whole vast panoply of Christian music's history. The book looks at music in the Orthodox tradition and in Africa, as well as music for worship in 20th-century Europe and America.

From Ruin to Restoration Dr. Geoffrey V. Guns, 2018-11-12 The book of Haggai remains one of the most important

books of the Old Testament Intertestamental Period. Why? Because it describes the challenges and struggles that occurred during the rebuilding of the first Temple that was built by King Solomon and later destroyed by the Babylonians in 587 BCE (see 1 Kings 7:1, 38; 2 Kings 25:8-9). It was during the Intertestamental Period that the cultural and religious foundations were laid that would evolve into the Judaism that we see in the New Testament. Throughout the study of the history, geography, and politics of this era, you will learn a lot about an important era of biblical history. This short Bible study guide will inform, enlighten, and inspire you to learn and study more whether you study alone or in a small group, a church-wide Bible study fellowship, or Sunday school class. Excerpt from the Book The New Testament Era begins in many respects with the close of the Old Testament Era. There is a commonly held belief that the time between the Old and New Testaments is the period of prophetic silence in Israel. One of the major difficulties that Bible teachers face when teaching about this era in Jewish history is the lack of enthusiasm on the part of many believers to want to study the Intertestamental Period. In all too many instances the cry is give me Jesus and that's enough. Unfortunately, one cannot begin to comprehend the full impact of the ministry of Jesus without some knowledge of the cultural, historical, geographical, religious, and social backgrounds out of which His ministry took place.

Christian Education Robert E. Clark, Lin Johnson, Allyn K. Sloat, 1991-10-22 Whether in the home or in the church or in a Christian school, the challenge of contemporary Christian educators is to meet the academic needs of students while remaining unswerving in adherence to biblical principles. Christian Education: Foundations for the Future introduces you to the basics of a healthy Christian education program, then takes you beyond, showing you how to develop a fresh, innovative Christian education program that will revitalize your church, home, or school.

101 Hymn Stories Kenneth W. Osbeck, 2023-06-13 This book shares the inspiring true stories behind 101 favorite hymns. With a collection of uplifting, informative hymn stories, 101 Hymn Stories includes each hymn's full text and musical score, as well as information about the author, composer, and Scripture that inspired the song. Some of the hymns included are: - A Mighty Fortress - Amazing Grace - Fairest Lord Jesus - Holy, Holy, Holy - How Great Thou Art - It Is Well with My Soul - Jesus Loves Me - Rock of Ages - Silent Night - The Old Rugged Cross Excellent for uses like devotional reading, sermon illustrations, and bulletin inserts, as well as historical or biographical research, 101 Hymn Stories has been a beloved resource for forty years. Now a new generation can discover the beautiful foundations of faith upon which these songs were built. A fascinating book that is enjoyable for general reading or reference. --Christian Life This book is a valuable source of illustrations for pastors and teachers, and it provides a wealth of background information for song leaders. But it should be introduced to all Christians as a personal and family devotional book. --Bookstore News

Be Restored (10th Anniversary Edition) Debra Berry, 2013-07-29 As an African American woman, you may not realize that God did a marvelous thing when He ordained that you should live at this time in the history of the church and the world. You are highly favored, and now is the time to take back the reality of God's favor on you, on us as African American women, on our families, and on our churches. Written from the passion of her heart, Debra Berry warmly shares with you the opportunity for restoration. *Be Restored* is based on her study of Nehemiah, a servant who accepted God's calling to bring restoration to Israel after they were released from captivity. *Be Restored* clearly draws stark similarities between plights of the children of Israel and the African American race at the start of the new millennium. You will understand how some of the faithful followers of God achieved success in exile, while you identify with those who were physically free yet locked in prisons of hopelessness and despair. Restoration must start with one woman at a time. "The voice of the Lord and the voices of our God-fearing ancestors call us to continue the struggle for the restoration of our people. We can only do this by the might and power of the God who loves us."

Total Praise Sherman R. Tribble, 2012-04 More than just a book of hymns, this work, published in collaboration with the Sunday School Publishing Board, is an essential reference for lovers of African American devotional music. Ideal for pastors, choir directors, or members of the clergy or congregation, this landmark publication brings together beloved hymns, spirituals, and gospel tunes with new songs of praise. The traditional and contemporary songs as well as the responsive readings--one for every Sunday of the year--address themes that include healing, the poor, forgiveness, peace, and praise, and litanies designed for special days throughout the year, such as church anniversaries, Advent, mothers, funerals, and singles ministry. Special features such as the Church Covenant, Articles of Faith, and extensive indexes on a range of topics are also included.

The Colors of Hope Richard Dahlstrom, 2011-05-01 The Christian life, says Richard Dahlstrom, should be guided by the intentional goal of blessing the lives of the friends, loved ones, and strangers in our midst. We are called to impact a culture that, for all the rhetoric about hope, is overwhelmingly preoccupied with personal peace, prosperity, protection, and survival. Christians should be artists who paint with the colors of hope in a broken world, embodying Christ's redemptive presence in our personal lives, our work, and our relationships. This inspiring and practical book offers tools for living out this vision in daily life, with special attention given to the challenges we face in staying focused on the mission of imparting hope to others even while dealing with our own personal issues. Anyone who wishes they could have an impact on the world will cherish this unique book.

Christian Caregiving, a Way of Life Kenneth C. Haugk,1994 This complete leader's guide makes it easy to use Dr. Haugk's practical book to build community and train church members in distinctively Christian caring and relating skills.

Be Restored! Debra Berry,2006 This eightweek Bible study for African American women takes a closer look at the Book of Nehemiah to reveal parallels between the lives of Gods people rebuilding Jerusalem and the lives of presentday African Americans. Speaking directly to the presentday concerns of African American women, Berrys message is one of power and hope. This is a book, she says, to assist African American Christian women in uncovering the spiritual might to experience restoration and change their world for Christ.

Basics of Christian Education Karen Tye,2000-01-01 Congregations are always struggling with what quality Christian education is and how to build and maintain it. In this concise and easy-to-use guide, Karen Tye offers practical help, addressing the vital areas that need attention when planning for and building a Christian education program. Questions and exercises at the end of each chapter help pastors, Christian educators, seminary students, and laity apply the information to their own unique setting, building on the basics to renew and transform Christian education.

Selected Writings 1909-1953 Hans Reichenbach,1978-12-31 These two volumes form a full portrait of Hans Reichenbach, from the school boy and university student to the maturing and creative scholar, who was as well an immensely devoted teacher and a gifted popular writer and speaker on science and philosophy. We selected the articles for several reasons. Many of them have not previously been available in English; many are out of print, either in English or in German; some, especially the early ones, have been little known, and deal with subject-matters other than philosophy of science. The genesis and evolution of Reichenbach's ideas appeared to be of deep interest, and so we included papers from four decades, despite occasional redundancy. We were, for example, pleased to include his extensive review article from the encyclopedic Handbuch der Physik of 1929 on 'The Aims and Methods of Physical Knowledge', written at a time of creative collaboration between Reichenbach's Berlin group and the Vienna Circle of Schlick and Carnap. Reichenbach was a pioneer, opening new pathways to the solution of age-old problems in many fields: space, time, causality, induction and probability - philosophical analysis and interpretation of classical physics, relativity and quantum physics - logic, language, ethics, scientific explanation and methodology, critical appreciation and reconstruction of past metaphysical thinkers and scientists from Plato to Leibniz and Kant. Indeed, his own philosophical journey was initiated by his passage from Kant to anti-Kant.
