**Indiana Notary Public Guide** Indiana Secretary of State,2019-04-06 A notary is a public official responsible for independently verifying signatures and oaths. Depending on how a document is written, a notarization serves to affirm the identity of a signer and the fact that they personally executed their signature. A notarization, or notarial act, officially documents the identity of a party to a document or transaction and the occasion of the signing that others can rely upon, usually at face value. A notary's authentication is intended to be reliable, to avoid the inconvenience of having to locate a signer to have them personally verify their signature, as well as to document the execution of a document perhaps long after the lifetime of the signer and the notary. An oath is a sworn statement. In most cases a person will swear that a written statement, oral statement, or testimony they are about to give is true. A notary can document that the notary administered an oath to an individual.

Started an LLC and need to issue membership certificates that look professional and are easy to use? If yes, then this book is for you! What is an LLC (Limited Liability Company)? An LLC is a hybrid type of legal entity that provides the limited liability features of a corporation and the tax benefits and operational flexibility of a partnership. Owners of an LLC are referred to as members. Depending on the state, the members can consist of a single individual (one owner), two or more individuals, corporations or other LLCs. What is an LLC membership certificate? An LLC membership certificate is a document that certifies ownership and specifies the number of units or percentage owned by a member in an LLC. While LLC membership certificates aren't required by federal or state law, it is still highly recommended for LLCs to use them. Without an LLC membership certificate to show evidence of ownership, a member may have no say or control in how an LLC is structured or operates. Generally, LLC membership certificates are issued during the initial meeting of the members. A membership transfer ledger is also used to accurately record membership transactions whether it is an initial issuance of units or percentage of ownership or any subsequent transfers during the LLC's existence. This book contains 20 blank LLC membership certificates (for the use of any LLC organized in the state of Florida), a membership transfer ledger to record buy-sell transactions of units or percentage of ownership, and bill of sale forms to document the purchase of units or percentage of ownership. *Tense Future* Paul K. Saint-Amour, 2015-03-02 We know that trauma can leave syndromes in its wake. But can the anticipation of violence be a form of violence as well? *Tense Future* argues that it can—that twentieth-century war technologies and practices, particularly the aerial bombing of population centers, introduced non-combatants to a coercive and traumatizing expectation. During wartime, civilians braced for the next raid; during peacetime they braced for the next war. The pre-traumatic stress they experienced permeates the century's public debates and cultural works. In a series of groundbreaking readings, Saint-Amour illustrates how air war prophets theorized the wounding power of anticipation, how archive theory changed course in war's shadow, and how speculative fiction conjured visions of a civilizational collapse that would end literacy itself. And in this book's central chapters, he shows us how Ford Madox Ford, Robert Musil, James Joyce, Virginia Woolf, and other interwar modernist writers faced the memory of one war and the prospect of another, some by pitting their fictions' encyclopedic scale and formal turbulence against total war, others by conceding war's inevitability while refusing to long for a politically regressive peace. Total war: a conflict that exempts no one, disregarding any difference between soldier and civilian. *Tense Future* forever alters our understanding of the concept of total war by tracing its emergence during the First World War, its incubation in air power theory between the wars, and above all its profound partiality. For total war, during most of the twentieth century, meant conflict between imperial nation states; it did not include the violence those states routinely visited on colonial subjects during peacetime. Tacking back and forth between metropole and colony, between world war and police action, Saint-Amour describes the interwar refashioning of a world system of violence-production, one that remains largely intact in our own moment of perpetual interwar.

*Llc Membership Certificates Corporate Starter Kit* Platinum Black Services Llc, 2017-05-17 Starting an LLC (Limited Liability Company)? Started an LLC and need to issue membership certificates that look professional and are easy to use? If yes, then this book is for you! What is an LLC (Limited Liability Company)? An LLC is a hybrid type of legal entity that provides the limited liability features of a corporation and the tax benefits and operational flexibility of a partnership. Owners of an LLC are referred to as members. Depending on the state, the members can consist of a single individual (one owner), two or more individuals, corporations or other LLCs. What is an LLC membership certificate? An LLC membership certificate is a document that certifies ownership and specifies the number of units or percentage owned by a member in an LLC. While LLC membership certificates aren't required by federal or state law, it is still highly recommended for LLCs to use them. Without an LLC membership certificate to show evidence of ownership a member may have no say or control in how an LLC is structured or operates. Generally, LLC membership certificates are issued during the initial meeting of its members. A membership transfer ledger is also used to accurately record membership transactions whether it is an initial issuance of units or percentage of ownership or any subsequent transfers during the LLC's existence. This book contains 20 blank LLC membership certificates (for the use of any LLC organized in the state of Oregon), a membership transfer ledger to record buy-sell transactions of units or percentage of ownership, and bill of sale forms to document the purchase of units or percentage of ownership.
