

Careless Whispers Carlton Stowers

Kathryn Casey

Innocence Lost Carlton Stowers, 2004-05-16 Undercover officer George Raffield's job was to pose as a student in the small town of Midlothian, Texas and infiltrate the high school drug ring. When Raffield's cover became suspect, word spread through a small circle of friends that the young officer would pay with his life. No one stopped it. On a rainy fall evening in 1987, Raffield was lured to an isolated field. Three bullets were fired—one unloaded into his skull. The baby-faced killer, Greg Knighten, stole eighteen dollars from Raffield's wallet, divided it among his two young accomplices, and calmly said, it's done. With chilling detail, Carlton Stowers illuminates a dark corner of America's heartland and the children who hide there. What he found was an alienated subculture of drug abuse, the occult, and an unfathomable teenage rage that exploded at point blank range on a shocking night of lost innocence...

Scream at the Sky Carlton Stowers, 2004-08-16 Carlton Stowers, the two-time Edgar Award winner and New York Times bestselling master of true crime, is back. *Scream at the Sky* is his masterful chronicle of one man's murderous career, and another man's sworn promise to deliver justice and closure to the people of Texas. Wichita Falls, Texas, was home to a hundred thousand people in the last months of 1984. That winter was harsh, as the normally arid Texas plains gave way to ominous dark clouds that delivered freezing sleet and rain. But a much darker force was looming, and soon the quiet town was besieged by a faceless evil—and its young women were dying because of it. In the next seventeen months five women were found brutally beaten and murdered, their young lives cut short and their bodies left haphazardly where they fell. In the years that followed, grieving families fruitlessly sought answers. A haunted district attorney chased every lead only to meet one dead end after another. And the killer's identity remained unknown to the ravaged townspeople. Then, fourteen years after the killing started, an investigator who had been assigned the cold case brought to it a renewed dedication, and came upon a chance discovery. Searching through the yellowed case files, he caught a minor detail that suggested one more suspect. Faryion Wardrip was an unhappily married family man who drowned his anger in substance abuse and violent fantasies. But for five unfortunate families, the drugs sometimes took over and the fantasies became realities. Investigator John Little followed his instincts and tirelessly ruled out every possibility until he was left with but one conclusion: Faryion Wardrip was the serial killer who had eluded his office for so long. How he tracked down Wardrip and used the legal system to beat the killer at his own game of deception is a remarkable story of justice served.

Open Secrets Carlton Stowers, 2002-03-15 A true crime account of a brutal 1983 Texas murder and the ten-year hunt for the killer and the woman who placed a price on the victim's head. "One of the most remarkable true crime books I've ever read." —Ann Rule On a fall afternoon in 1983, in an upscale Dallas suburb, Rozanne Gailiunas was found stripped, bound to her bed, and shot through the skull. Her four-year-old son has been napping peacefully in the next room when she was killed. Rozanne's husband, Dr. Peter Gailiunas—and her lover, Larry Aylor—immediately fell under suspicion. Until a surprise informant identified the mastermind behind the murder as Aylor's own wife, Joy—a woman so driven by jealousy and greed that she put out a contract on both Rozanne and later her own husband. On the run and managing to elude investigators for eight years, the two-year search for the socialite would eventually end in the south of France. There, authorities found the elusive femme fatale, living as comfortably among the world's elite as she was among hired killers. At last, the authorities' questions would be answered, to reveal a shocking insight into the heart of an unlikely killer, and a small-town Texas crime that made international headlines. "A masterpiece of murder and betrayal, Texas-style." —Faye Kellerman, author of *Grievous Sin* "If Truman Capote invented the genre with *In Cold Blood* and Tommy Thompson improved on it with *Blood and Money*, Carlton Stowers has perfected the true crime story with *Open Secrets*." —The Dallas Morning News "A must-read. Filled with more twists, surprises, and suspicious characters than even the most fertile imaginations could concoct . . . a difficult book to put down." —Tulsa World

Death in a Texas Desert Carlton Stowers, 2003 True crime stories from THE DALLAS OBSERVER.

Sins of the Son Carlton Stowers, 2000-06-15 In this "astounding autobiography," a celebrated true crime author delves into a tragic murder committed by his own son (Publishers Weekly). As a single father raising two sons, Carlton Stowers did his best to instill in his boys a healthy sense of right and wrong. But with Anson, his oldest, it would prove to be an ongoing uphill battle. At a young age, Anson became involved with a number of illicit activities, including drugs, forgery, and theft. After each jail stay, Anson would vow to get clean and start anew. But then he crossed a fatal line. Twenty-five years old and strung-out on amphetamines, Anson brutally murdered his young ex-wife. In a brave, honest, and moving work, bestselling true-crime writer Carlton Stowers examines the downfall of his eldest son, once a happy child full of promise, now a convicted murderer serving a sixty-year sentence. With a reporter's shrewdness and a father's heart, Stowers presents a true story of two lives irrevocably lost, and of one man struggle to understand. Introduction by Jonathan Kellerman

To The Last Breath Carlton Stowers, 1999-04-15 On January 22, 1994, two-year-old Renee Goode played happily with her sisters and cousin, enjoying an impromptu slumber party at the home of her father, Shane Goode. The next day Renee was dead. *To the Last Breath* reveals what Renee's grandmother had suspected all along: cold, calculating Shane Goode had murdered his own daughter to cash in on her death. of photos. Martin's Press.

"Please ... Don't Kill Me" William C. Dear, Carlton Stowers, 2018-02-09 I don't care who you hire, or what the company

has to pay him ... so long as he's the best there is. This anguished cry from the wife of murder victim Dean Milo would draw private investigator Bill Dear into one of the most frustrating and ultimately triumphant cases of his career. Dean Milo was a phenomenally successful businessman who had built a tiny family business into a \$50 million-a-year corporation. Along the way he had established a lengthy list of enemies that began with his immediate family and stretched throughout the social and business community. His fast-track ride to the top came to a violent halt on August 11, 1980, when Milo was found dead in his luxurious Ohio home, shot twice in the head. A blank telegram form lay nearby. Four months after his death, the investigation remained a confusing collection of non sequiturs. Clues pointed toward Milo's involvement with the Mafia, the drug world, and the gay community. His own family refused to cooperate with the authorities. And time was ticking by ... In desperation, Maggie Milo turned to Texas private eye Bill Dear. This is the gripping story of the remarkable collaboration between Dear and the police detectives of Akron, Ohio, that led to eleven convictions, an Ohio record. It is also a tale of the human weakness, desperation, and overwhelming greed that led to a sudden death.

Where Dreams Die Hard Carlton Stowers, 2009-04-30 Down Farm Road 308, an hour's drive south of Dallas, amidst sprawling fields of cotton lies a small community--Penelope, Texas (population 211). Here, where the only thriving businesses are the granary and the post office, unless you count the soft-drink machine in front of the fire station, two-time Edgar Award-winning writer Carlton Stowers discovered a special town that came together, not only to support their six-man highschool football team--the Penelope Wolverines--through thick and a lot of thin, but also, and more importantly, each other. *Where Dreams Die Hard* is a warm and revealing portrait of the American heartland--and of one small town's love affair with the team that unites it. Through his unforgettable depiction of innocence, goodness, loyalty, and friendship...Carlton Stowers gives us a moving portrait of a community that, in the words of one of the Penelope faithful, is like 'stepping into a Norman Rockwell painting.' (Billie Letts, author of *Where the Heart Is*) High school football in Texas is both sport and religion, and Stowers brilliantly brings this to light in *Where Dreams Die Hard*. (Jim Dent, author of *The Junction Boys*)

An Hour To Kill Dale Hudson, Billy Hills, 2001-03-02 After 17-year-old Crystal Todd was found brutally murdered in her South Carolina hometown in 1991, her best friend, Ken Register, was the last person anyone would suspect. But when DNA tests confirmed he raped and stabbed Crystal, their small town was stunned. photos. Martin's Press.

She Wanted It All Kathryn Casey, 2010-11-16 Trophy wife Celeste Beard wasn't satisfied with a luxurious lifestyle and her rich Austin media mogul husband's devotion -- so she took his life! The wife: She wanted everything, but her husband stood in the way. The lesbian lover: A love-struck, middle-aged woman with a history of mental illness, she would do anything to set Celeste free. The beauty salon receptionist: Celeste hired her to tie up the loose ends ... in a second conspiracy to commit murder.

A Warrant to Kill Kathryn Casey, 2010-11-30 She tried to tell her friends. She even went to the police. No one would believe her--and now she was dead. Problems had always followed Susan White, but when she remarried and moved to Houston's posh suburbs, she thought the past was behind her--until she met a deputy sheriff named Kent McGowen who would soon become her worst nightmare. McGowen was an aggressive cop with a spotty record. When Susan rebuffed his advances, she claimed he stalked and harassed her, using her troubled teenage son as bait. And then, in an act of arrogance and revenge, he made good on his threats, setting her up for the kill. In *A Warrant to Kill*, Kathryn Casey meticulously pieces together the tragic shards of the case to create a riveting story of vengeance, fear, and justice--of the terrifying power a badge can have in the wrong hands.

Shattered Kathryn Casey, 2010-06-29 "Kathryn Casey is one of the best true crime writers today." —Ann Rule With true crime classics like *Descent into Hell* and *Die My Love*, author Kathryn Casey has peered into the darkest corners of the Lone Star State, shedding a fascinating, chilling light on a series of notorious Texas murders. In *Shattered*, she explores in riveting detail an infamous Houston area crime: the brutal slaying of a young mother and her unborn child by the person closest to them. Bestselling author Carlton Stowers numbers Kathryn Casey "among the elite of true crime writers," and *Shattered*—a shocking true story of blood, rage, and betrayal—will only enhance her reputation as one of the best of the best.

FBI Undercover Carlton Stowers, Larry Wansley, 2017-05-01 HE WAS A FLASHY, HIGH-ROLLING CON MAN...A MILITANT STREET HUSTLER...A FRONT MAN FOR THE MOB... On TV and in the movies, FBI undercover agents are a dime a dozen. But in reality, only an elite handful have the unique combination of wit, instinct and daring to work these highly dangerous scams. For 10 years, Larry Wansley was one of them. A former detective bureau commander with the Compton, California, police department, Wansley graduated from the FBI Academy in 1973. After nabbing a Texas bank robber, he went underground in Los Angeles as part of the bureau's massive search for Patty Hearst. Then came the big sting: Operation Tarpit with another agent to play his high-living partner in crime—and the unwitting help of two talkative hookers—Wansley, called "Mandrake" by his fellow agents, set up a two-year, L.A.-based operation that netted 300 phony stock and bond dealers, truck hijackers, kidnappers, gun-runners, and killers, and recovered \$42 million in stolen property. From there, Wansley moved coast-to-coast, working his scams on redneck southern crime bosses, kiddie porn producers, New York Mafia wiseguys, and more—and living each day with the heart-stopping knowledge that one wrong move meant death...

Deadly Little Secrets Kathryn Casey, 2012-07-31 Ann Rule says, Kathryn Casey is one of the best true crime writers today—high praise indeed from the author of a host of nonfiction New York Times bestsellers including *Green River* and *The Stranger Beside Me*, the story of serial killer Ted Bundy. With *Deadly Little Secrets*, Casey once again explores the dark side of the Lone Star State, offering a riveting true story of a murderous Texas preacher responsible for the cold-blooded slaying

of the mother of his children. Meticulously researched and spellbindingly told, *Deadly Little Secrets* pulls back the curtain on the horrific crimes of a supposed man of God who was more devoted to the Devil, and it demonstrates why such true crime luminaries as Edgar® Award winner Carleton Stowers and Gregg Olsen are confirmed Kathryn Casey fans. And don't miss Kathryn Casey's latest book, *Deliver Us*, a riveting account of the brutal murders of young women in the I-45/Texas Killing Fields.

Love Lies Amanda Lamb, 2015-09-22 A suburban housewife's picture-perfect life is shattered in this riveting true crime book from the author of *Evil Next Door*. When Nancy Cooper moved from Canada to Cary, North Carolina, with her new husband Brad, their future was bright. Living in one of the most picturesque towns in the United States, the couple mingled with neighbors, attended parties, and raised two daughters. Then, on July 14, 2008, the façade came crashing down when Nancy's strangled body was found in a storm pond. Nancy's husband claimed she had gone for a jog and never came back. But as the police investigation deepened, a complex web of affairs and lies involving multiple residents of Cary's idyllic neighborhoods was uncovered, and Brad was brought to trial for the murder of his wife. At the heart of it stood the Coopers' soured marriage, Nancy's threat to leave with the children, and her own cold-blooded murder. It would take a mountain of damning evidence before justice was served.

Judgment Ridge Dick Lehr, Mitchell Zuckoff, 2009-01-23 This "irresistibly absorbing" true crime investigation uncovers the brutal murder of two Dartmouth professors by a pair of students in 2001 (Publishers Weekly). On a cold night in January 2001, the idyllic community of Dartmouth College was shattered by the discovery that Half and Susanne Zantop, two of its most beloved professors, had been hacked to death in their own home. Investigators searched helplessly for clues linking the victims to their murderers. Weeks later, in the nearby town of Chelsea, Vermont, they sought out a pair of high school seniors for questioning. Then Robert Tulloch and his best friend, Jim Parker, fled. Suddenly, two of Chelsea's brightest and most popular sons had become fugitives, wanted for the murders of Half and Susanne Zantop. Authors Mitchell Zuckoff and Dick Lehr provide a vivid explication of a murder that captivated the nation, as well as dramatic revelations about the forces that turned two popular teenagers into killers. *Judgment Ridge* conveys the devastating loss of Half and Susanne Zantop, while also providing a clear portrait of the killers, their families, and their community—and, perhaps, a warning to any parent about what evil may lurk in the hearts of boys.

Careless Whispers Carlton Stowers, 1986 The true story of a triple murder and the determined lawman who would not give up.

Dead But Not Forgotten Amber Hunt, 2010-08-03 Describes how, eighteen years after Michael George got away with murdering his wife, the case was reopened by a new district attorney who found overlooked evidence that proved Michael's guilt, only to be overturned by a judge.

Doc Jack Olsen,2015-02-24 Introduction by National Bestselling Author Ron Franscell--Cover.

- ### Careless Whispers Carlton Stowers Introduction
- In today's digital age, the availability of Careless Whispers Carlton Stowers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Careless Whispers Carlton Stowers books and manuals for

download, along with some popular platforms that offer these resources. One of the significant advantages of Careless Whispers Carlton Stowers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Careless Whispers Carlton Stowers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Careless Whispers Carlton Stowers books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Careless Whispers Carlton Stowers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides

over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Careless Whispers Carlton Stowers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Careless Whispers Carlton Stowers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals.

Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Careless Whispers Carlton Stowers books and manuals for download and embark on your journey of knowledge?

FAQs About Careless Whispers Carlton Stowers Books

1. Where can I buy Careless Whispers Carlton Stowers books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Careless Whispers Carlton Stowers book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Careless Whispers Carlton Stowers books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Careless Whispers Carlton Stowers audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Careless Whispers Carlton Stowers books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
