In The Meantime Iyanla Vanzant, 2012-12-11 Most of us go through life with a vision of what the ideal relationship is supposed to be, yet too often our longing for a soul mate leads to disappointment and heartbreak. What we see, desire, or harshly judge in our mate is but a reflection of self, Vanzant explains, as in *IN THE MEANTIME* she helps us to break free of our fantasies and view a relationship as an ongoing process of discovery and growth. Whether she is offering practical advice on how to avoid making the same relationship mistakes over and over again, or helping us to view the painful end of a relationship as an opportunity to learn and change, Iyanla Vanzant, as author Patrice Gains has said, 'reminds us that every moment is an opportunity to learn and inspires and encourages us to continue our inward daily search'.

*Until Today!* Iyanla Vanzant, 2012-10-09 “The most powerful spiritual healer, fixer, teacher on the planet.” —Oprah Winfrey Shift your attitude and live your best life with this inspiring collection of 365 daily devotionals from New York Times bestselling author and star of the OWN Network’s hit show *Iyanla: Fix My Life*. However, you must be willing to “do a new thing.” You must spend a little time, each day, in devotion to the truth about yourself and your life. You must make a conscious approach to what you think, what you feel, and what you do. Devotion will clear up misconceptions that may have

obscured your vision until today! Bestselling author Iyanla Vanzant presents a new book of devotions for anyone on the path to spiritual empowerment. These daily devotions will create powerful changes in the circumstances of your life that have held you back and will place you on the road to personal strength and peace of mind.

*Get Over It!* Iyanla Vanzant, 2018-02-06 Today—as repeated attempts to fix ourselves and our lives fail—many of us face unprecedented fears about the future, struggle with unspeakable life tragedies, and sink under the belief that certain lives do not matter in our society. Others confront our epidemic of anxiety with fierce resistance, or the fight to be right, criticizing anyone and everyone just to end up stuck. In the face of such pervasive human suffering, New York Times best-selling author and legendary life coach Iyanla Vanzant challenges us: What if it's not them—what if it's you? What if you need to get over it—and get over yourself? Because no matter how much we would like to blame people and circumstances beyond our control, the truth is staggeringly simple: anything and everything we experience is a function of what and how we think. In *Get Over It!* Iyanla offers a unique spiritual technology called thought therapy, a process that harnesses proven spiritual tools with the science of neuroplasticity. The 42 prayers and affirmations, and complementary energy-clearing tools at the heart of the thought therapy process are designed to neutralize and eliminate the unconscious, unproductive, soul-destroying dominant negative thought patterns (DNTPs) and discordant emotional energies, allowing you to get to the root cause of your personal suffering, and make life-affirming choices. If you're ready to break free of your ego's resistance and willing to face yourself, willing to change, and willing to heal and grow—then now's the time to *Get Over It!*

Is it that relationship that you gave your all to only to end up with a broken heart...again? Perhaps it's your children, a family member, or a life-long friend doing you in, dragging you down, pushing you to the brink. If you are an honorary member of the Black Woman's Suffering Society, you have probably been told that it's all your fault. Or that struggling and suffering is your lot in life. Iyanla Vanzant says, No! Life is an Act of Faith and suffering is optional! Those everyday challenges, obstacles, and dilemmas are what Iyanla calls valleys. As bad as they may seem, there is a purpose or, as Iyanla says, There is so much value in the valley. If you've ever been disappointed, betrayed, rejected, abandoned, or just plain old scared to let go, then you've been or may still be in a valley. Iyanla knows—she's been there and on a bad day she's still there, but now she shares the way out with you.
