Ellie Andrews Has Second Thoughts Ruth Saberton, 2011-05-12 Does a bride to be ever know for certain that she's chosen the right man You won't put it down CLOSER Ellie Andrews Has Second Thoughts is breathlessly wonderful from start to finish with characters you'll adore and a story you won't want to end Miranda Dickinson I absolutely loved Ellie Seriously loved her and that's what Ruth Saberton does best she gives us a heroine to root for CHICKLIT REVIEWS Ellie Andrews is finally getting married Or she will be if she drinks enough champagne to pluck up the courage for her trip down the aisle The problem is that after months spent bickering over menus and table placements Ellie's never felt more distant from the man she's supposed to be spending the rest of her life with As last minute nerves take hold a night of soul searching sees Ellie reflecting back on old flames in a bid to reassure herself she's making the right decision There's Rupert adoring but dull Jay the teenage crush Marcus sexy but toxic and Xander a true friend But as the sun rises and the ceremony looms ever closer Ellie is still unsure if she's doing the right thing Then an unexpected encounter turns her world upside down Should she take a chance Or should she stick with the choices she's made As Ellie makes her way to the church only one question remains who will be waiting for her at the altar Amber Scott is Starting Over Ruth Saberton, 2012-04-12 A city girl through and through how will she cope with country life Amber is a gorgeous character to spend time with and it's a real treat to find a genuinely funny uplifting book Fiona Walker Amber Scott loves her city life a terrific job working on a glossy magazine and a fiancé Ed she's known since Uni Even if Ed doesn't take her job seriously as a solicitor he doesn't have much time for women's magazines it is Amber's dream job So Ed's news that he has taken a job in the West Country turns Amber's world upside down The new life in Cornwall does not get off to the best start The huge house Ed was so keen on is well huge what is Amber going to do with four acres And do M S make Aga ready meals And when a handsome if surly man leads the local hunt over her land it's more than Amber can stand So how is it that before long Amber is friends with the local eccentric Lady of the Manor making love potions at her mother's recommendation and answering the door naked to strangers

Keith Booker, 2009-11-25 This work is a wide ranging survey of American children's film that provides detailed analysis of the political implications of these films as well as a discussion of how movies intended for children have come to be so persistently charged with meaning Disney Pixar and the Hidden Messages of Children's Films provides wide ranging scrutiny of one of the most lucrative American entertainment genres Beyond entertaining children and parents and ringing up merchandise sales are these films attempting to shape the political views of young viewers M Keith Booker examines this question with a close reading of dozens of films from Disney Pixar Dreamworks and other studios debunking some out there claims The Ant Bully communist propaganda while seriously considering the political content of each film Disney Pixar and the Hidden Messages of Children's Films recaps the entire history of movies for young viewers from Snow White and the Seven Dwarfs to this year's Up then focuses on the

extraordinary output of children s films in the last two decades What Booker finds is that by and large their lessons are decidedly comfortably mainstream and any political subtext more often than not is inadvertent Booker also offers some advice to parents for helping children read films in a more sophisticated way
