Emmett County Sheriff Report:

San Bernardino County Sheriff's Department M. David DeSoucy, 2006 The largest county in the continental United States has seen its share of colorful pursuits of suspects and fugitives including the search for the last Native American in the United States to be tracked to his tragic end by a lawman's posse Willie Boy at Ruby Mountain San Bernardino County also was the setting for the shoot outs at Baldy Mesa and Lytle Creek Yet gunplay lore is only one aspect of the epic of the San Bernardino County Sheriff's Department Today the department deploys nearly 5 000 salaried and volunteer employees to protect and serve its 20 186 square miles of deserts mountains forests and increasingly urban areas This original cow county sheriff's office went through many developments that are detailed in these vintage photographs sheriff's administrations equipment investigations and other exploits all culled from the department's archives private collections the California Room of the San Bernardino Public Library and the San Bernardino Pioneer Historical Society **FBI Law Enforcement Bulletin**, 1959 **Blood in the Snow** Tom Henderson, 2011-04-26 Vivid characters carry the action in latest book about grisly Metro Detroit murder a page turner from the true crime author of *Darker Than Night* The Detroit News Washington Township Michigan Valentine's Day 2007 Stephen Grant filed a missing person's report on his beloved wife Tara The stay at home father of two was beside himself with despair Why would Tara abandon him and their family Was she involved with another man Stephen's frantic emotional search for Tara made national headlines and the case was featured on Dateline among other television shows and news outlets But key elements in Stephen's story still weren't adding up Why did he wait five days to go to police What was the nature of his relationship with his children's beautiful nineteen year old babysitter Why did Stephen have cuts on his hands and random bruises Then the police made a gruesome discovery Parts of Tara Grant's body started turning up around the woods near the Grant's home The truth was finally coming to light and after a two day manhunt Stephen admitted to having killed Tara first strangling her then cutting her body into fourteen pieces before burying them This is the shocking true story about a bitter cheating husband whose crimes were revealed by the *Blood in the Snow* Please note that the photos that appear in the print edition of the title do not appear in the e book *Blood in the Snow* is the third book about the case but it's also the only one that had police cooperation And that makes all the difference a wild ride of a read that's still compelling Metro Times *Biennial Report* Michigan. State Welfare Commission, 1915 **Uniform Crime Report** Michigan State Police, 1997 **Report of the Board of State Commissioners for the General Supervision of Charitable, Penal, Pauper, and Reformatory Institutions** Michigan. Supreme Court, 1889 Emmett Till and the Mississippi Press Davis W. Houck, Matthew A. Grindy, 2009-09-18 Employing never before used historical materials the authors of *Emmett Till and the Mississippi Press* reveal how Mississippi journalists both expressed and shaped public opinion in the aftermath of the 1955 Emmett Till murder

Combing small circulation weeklies as well as large circulation dailies Davis W Houck and Matthew A Grindy analyze the rhetoric at work as the state attempted to grapple with a brutal small town slaying Initially coverage tended to be sympathetic to Till but when the case became a clarion call for civil rights and racial justice in Mississippi journalists reacted Newspapers both reported on the Till investigation and editorialized on its protagonists Within days the Till case transcended the specifics of a murder in the Delta Coverage wrestled with such complex cultural matters as the role of the press class gender and geography in the determination of guilt and innocence Emmett Till and the Mississippi Press provides a careful examination of the courtroom testimony given in Sumner Mississippi and the trial s conclusion as reported by the state s newspapers The book closes with an analysis of how Mississippi has attempted to come to terms with its racially troubled past by in part memorializing Emmett Till in and around the Delta

A Slaying in the Suburbs Andrea Billups, Steve Miller, 2009-01-06 The true story of the Tara Grant murder To their suburban Detroit neighbors Stephen and Tara Grant were happy as could be But their marriage plagued by resentment and extramarital affairs was held together only by their children Until the night Stephen snapped strangled and dismembered his wife then disposed of her body piece by piece in the very park his children played in
