Biker Gangs and Transnational Organized Crime Thomas Barker, 2014-10-17 Biker Gangs and Transnational Organized Crime Second Edition describes and analyzes a rapidly expanding global problem criminal acts committed by motorcycle gangs Thomas Barker one of the world's top experts on outlaw biker gangs offers fascinating details about the Bandidos the Vagos the Mongols and other one percenters criminal biker gangs as opposed to the vast majority of motorcycle enthusiasts He combines this data with a strengthened conceptual framework that makes sense of this complicated picture U S based motorcycle gangs like the Hells Angels have proliferated especially in Canada and Europe to the point where these gangs have more members in other countries than in the United States Increasingly more often in recent years their crimes are not limited to rumble or drug use these gangs challenge the dominance of organized crime leading to violent conflicts between the rivals Germany Scandinavia the UK the Netherlands and Canada are particularly hard hit by this rising violence One of Barker's unique contributions is his Criminal Organization Continuum building on the groundbreaking network approach to organized crime proposed by Klaus von Lampe Introduced in the first edition Barker elaborates his continuum
