Everyone struggles at times in their lives and wonders if this is all there is Are we facing life on our own Does God exist Does the Lord even care about me and my life Actually God s divine presence is all around us and moving in mighty ways We just do not always take time to pay attention and recognize what the Lord is doing in our everyday lives What if you could learn how to open your eyes to God s blessings and miracles that are all around us and accessible to your situation A good place to start is by asking the question Where have you seen God This book is overflowing with amazing stories of how God has divinely spoken and opened up opportunities for the author and some of those around her Each chapter is an inspiring account of an experience that teaches touching lessons about what is really important in life and how to live life to its fullest You will laugh and cry but most of all you will realize that God exists today just as powerfully as in Bible times These stories are a heartwarming witness to God s personal involvement in our everyday lives Federal Motor Vehicle Safety Standards and Regulations United States.
