Life Is Dangerous

So out we go. It's a habit by now, Freak riding up high on my shoulders and using his little feet to steer me if I forget where we're going. Not that we always know. Freak likes to make things up as he goes along. You think you're just walking down this ordinary sidewalk and really you're crossing this dangerous bridge, the kind made of vines that hangs high up in the air over a deep canyon, and when Freak makes it up it seems so real, you're afraid to look down or you'll get dizzy and fall off the sidewalk.

"Don't ever look down," he says. "Just keep your eyes closed." And then he puts his hands over my eyes and tells me to keep walking straight. "One foot," he says. "Now the next." I'm fighting to keep my balance, and his hands are making me dizzy.

"One more step," Freak says. "Steady. Steady. Now lift up your hoof - I mean your foot. There, we made it!" And he takes his hands away and I see we've crossed the street.

"Go East," he says when I get to the end of the block. "That way, mighty steed! Yonder lies the East!"

I go, "How do you know which way is East?"

And then something is glinting in my eye and Freak is showing me this little compass.

"The Official Cub Scout Compass?"

"That's a clever disguise so you don't know how valuable it is," he says. "This is actually a rare and valuable artifact passed down for generations. Lancelot used it, so did Sir Gawain, and for a time the Black Knight kept it on a chain next to his heart."

I go, "So the Black Knight was a Cub Scout, huh?" and Freak laughs and says, "That way. We go to the East on a secret mission."

We walk for miles. Way beyond the pond and the playground and the school, and for a while we're going through this really ritzy neighborhood of big white houses and blue swimming pools. Freak keeps saying stuff like, "That's the Castle of Avarice," and, "Yonder lies the Bloated Moat," and when we go under trees he'll say, "Proceed with caution," or, "All clear," depending on how low the branches come down.

"We must be East," I say. "Have we got to yonder yet?" because my stupid feet are getting sore, but Freak pats me on the head and says, "Yonder always lies over the next horizon. You could look it up if you don't believe me."

"Oh, I believe you."

On and on, block after block, through all these neighborhoods that Freak says are really secret kingdoms. I'll bet we've gone ten miles at least, because my legs think it's a hundred, and even as light as Freak is, he's starting to feel heavy.

Freak The Mighty Chapter 9

Carol Otis Hurst, Rebecca Otis

Freak The Mighty Chapter 9:

Eventually, you will categorically discover a further experience and skill by spending more cash. still when? attain you put up with that you require to acquire those every needs with having significantly cash?
