**How to be both** Ali Smith, 2014-12-02 MAN BOOKER PRIZE FINALIST A novel all about art's versatility borrowing from painting's fresco technique to make an original literary double take Cements Smith's reputation as one of the finest and most innovative of our contemporary writers By some divine alchemy she is both funny and moving she combines intellectual rigor with whimsy The Los Angeles Review of Books One of the New York Times's 100 Best Books of the 21st Century How to be both is a fast moving genre bending conversation between forms times truths and fictions There's a Renaissance artist of the 1460s There's the child of a child of the 1960s Two tales of love and injustice twist into a singular yarn where time gets timeless structural gets playful knowing gets mysterious fictional gets real and all life's givens get given a second chance Passionate compassionate vitally inventive and scrupulously playful Ali Smith's novels are like nothing else A NOTE TO THE READER Who says stories reach everybody in the same order This novel can be read in two ways and the eBook provides you with both You can choose which way to read the novel by simply clicking on one of two icons CAMERA or EYES The text is exactly the same in both versions the narratives are just in a different order The eBook is produced this way so that readers can randomly have different experiences reading the same text So depending on which icon you select the book will read EYES CAMERA or CAMERA EYES Your friend may be reading it the other way around Enjoy the adventure Having both versions in the same file is intentional [Diffraction Reading](#) Kai Merten, 2021-05-27 Putting the New Materialist figure of diffraction to use in a set of readings in which cultural texts are materially read against their contents and their themes against their readers or against other texts this volume proposes a critical intervention into the practice of reading itself In this book reading and reading methodology are probed for their materiality and re considered as being inevitably suspended between or diffracted with both matter and discourse The history of literary and cultural reading including poststructuralism and critical theory is revisited in a new light and opened up for a future in which the world and reading are no longer regarded as conveniently separate spheres but recognized as deeply entangled and intertwined Diffraction Reading ultimately represents a new reading of reading itself firstly by critiquing the distanced perspective of critical paradigms such as translation and intertextuality in which texts encountered processed or otherwise subdued secondly showing how all literary and cultural readings represent different agential cuts in the world text reader constellation which is always both discursive and material and thirdly the volume materializes dynamizes and politicizes the activity of reading by drawing attention to reading's intervention in and co creation of the world in which we live [How to Write a Novel: A Practical Guide to the Art of Fiction](#) Anonymous, 2023-09-18 In How to Write a Novel A Practical Guide to the Art of Fiction Anonymous delves into the intricate elements of crafting a compelling work of fiction The book presents a comprehensive overview of the writing process from developing characters and plot to creating vivid settings and mastering dialogue With a clear and concise writing style Anonymous offers practical advice and exercises for aspiring novelists making this book an invaluable

resource for anyone looking to improve their storytelling skills This guide is a must read for both novice writers seeking to hone their craft and experienced authors looking to refine their techniques The blending of theoretical concepts with hands on activities sets this book apart in the realm of writing guides making it an essential addition to any writer s library     *How to Study a Charles Dickens Novel* Keith Selby,1989-11-11 This book provides a clear method of study which encourages students to construct their own interpretation of any of Dicken s novels It helps students to identify a novel s major thematic concerns and interests and to argue a case purely from the evidence of the text But it also moves beyond a straightforwardly thematic analysis to consider how a novel is put together and how it works This in turn provides students with a way of identifying the distinctiveness of Dickens s fiction and with a way of structuring an intelligent critical response to any of his novels     Contemporary Fictions of Attention Alice Bennett,2018-08-09 With the supposed shortening of our attention spans what future is there for fiction in the age of the internet Contemporary Fictions of Attention rejects this discourse of distraction crisis which suggests that the future of reading is in peril and instead finds that contemporary writers construct fictions of attention that find some value in states or moments of inattention Through discussion of work by a diverse selection of writers including Joshua Cohen Ben Lerner Tom McCarthy Ali Smith Zadie Smith and David Foster Wallace this book identifies how fiction prompts readers to become peripherally aware of their own attention Contemporary Fictions of Attention locates a common interest in attention within 21st century fiction and connects this interest to a series of debates surrounding ethics temporality the everyday boredom work and self discipline in contemporary culture     **How to Read a Novel** John Sutherland,2006-10-31 In a book that is as humorous as it is learned author Sutherland tells you how to read fiction better than you do now He reminds readers how the delicate charms of fiction can be at once wonderful and inspired and infuriating On one level this is about novels how they work what they re about what makes them good or bad and how to talk about them At a deeper level this book describes what happens when a reader meets a novel Will a great love affair begin Will the rendezvous end in disappointment Taking his readers to the bookshop Sutherland helps them judge a book by its cover wondering aloud what genre might be best even going so far as to analyze one of the latest American bestsellers all to help the reader choose the novel that is right for him or her From publisher description     *Metamodernism* Robin van den Akker,Alison Gibbons,, Timotheus Vermeulen,2017-11-29 Metamodernism Historicity Affect Depth brings together many of the most influential voices in the scholarly and critical debate about post postmodernism and twenty first century aesthetics arts and culture By relating cutting edge analyses of contemporary literature the visual arts and film and television to recent social technological and economic developments the volume provides both a map and an itinerary of today s metamodern cultural landscape As its organising principle the book takes Fredric Jameson s canonical arguments about the waning of historicity affect and depth in the postmodern culture of western capitalist societies in the twentieth century and re evaluates and reconceptualises these notions in a twenty first century context In doing so it shows that the contemporary moment

should be regarded as a transitional period from the postmodern and into the metamodern cultural moment      How to Write a Fantasy Book Description Jesper Schmidt,2018-06-25 Do you find it difficult to write the blurb for your book Do you hate writing book descriptions If your synopsis always comes out bland and boring with no chance of leading to more book sales then this guidebook is for you How to Write a Fantasy Book Description is a step by step approach It lays out everything you need to know in five simple and effective steps Learn how to hook readers by Writing incredible taglines that grabs attention Escalating the tension throughout your blurb and captivate readers Using spellbinding words to dazzle customers Learning how to avoid meandering into subplots and instead make your blurb a joy to read Understanding how long your blurb needs to be and how to use cliffhangers effectively Discovering easy methods to format your blurb before uploading to online retailers like Amazon In addition you will find bonus chapters on how to write book descriptions for series box sets and non fiction If you like easy to follow instructions sprinkled with helpful examples then How to Write a Fantasy Book Description is for you Jesper Schmidt is a fantasy author He is the creator of several how to books like the bestselling Fantasy Map Making and Twitter for Authors Click Download Free Sample and discover how a stronger book description can help elevating your book to success      How to Read the Victorian Novel George Levine,2007-11-19 How to Read the Victorian Novel provides a unique introduction to the genre Using examples from the classics like The Pickwick Papers David Copperfield Jane Eyre The Woman in White and Middlemarch it demonstrates just how unfamiliar their familiarity is The book attempts to break free of the sense that the Victorian novel is somehow old fashioned moralizing and formally careless by emphasizing the complexity difficulty and rare pleasures of the Victorian writers strenuous efforts both to entertain and to teach to create serious art and to appeal to wide audiences to respond both to the demands of publishing and also to their own rich imaginative engagement with a world heading into modernity at full speed Broad in its scope the text surveys a wide variety of literary types and explores the cultural and historical developments of the novel form itself The book also poses a series of big questions pertaining to money capitalism industry race gender and at the same time to formal issues such as plotting perspective and realist representation In addition it locates the qualities that give to the great variety of Victorian novels a family resemblance the material conditions of their production their tendency to multiply plots their obsession with class and money their problematic handling of gender questions and their commitment to realist representation How to Read the Victorian Novel challenges our comfortable expectations of the genre in order to explore intensively a burgeoning and changing literary form which mirrors a burgeoning and changing society      **Fact and Fiction in Contemporary Narratives** Jan Alber,Alice Bell,2021-05-11 This book explores the complex interrelationship between fact and fiction in narratives of the twenty first century Current cultural theory observes a cultural shift away from postmodernism to new forms of expression Rather than a radical break from the postmodern however postmodernist techniques are repurposed to express a new sincerity a purposeful self reflexivity a contemporary sense of togetherness and an associated commitment to reality In what

the editors consider to be one manifestation of this general tendency this book explores the ways in which contemporary texts across different media play with the boundary between fact and fiction This includes the examination of novels autobiography autofiction film television mockumentary digital fiction advertising campaigns and media hoaxes The chapters engage with theories of what comes after postmodernism and analyse the narratological stylistic and or semiotic devices on which such texts rely The chapters in this book were originally published as a special issue of the European Journal of English Studies
