## **Irish Times Reviews:**

**Reviews and Essays of Austin Clarke** Austin Clarke, 1995 Austin Clarke is widely regarded as one of 20th century Ireland's most important poets. In this selection of nearly fifty essays and reviews written over Clarke's long career he demonstrates that he is an astute and provocative literary critic as well. Having grown up in Dublin when the excitement of the Irish Literary Revival was still running high, Clarke knew many of the principal figures of that movement personally and his readings of Yeats, Joyce, Synge, O'Casey, Lady Gregory, George Moore and others enjoy the advantages of an insider's point of view. Moreover, committed in his own poetry to the basic assumption that fuelled the Literary Revival that the most productive course for Irish literature lay in the direction not of England but of Ireland, Clarke in his criticism provides a way of understanding and judging the Revival's major writers in terms of their relationships to Ireland's rich literary and cultural traditions. At the same time, these essays call attention to a number of distinctly Irish but often overlooked writers working on the margins of the revival. As Yeats observed more than once, the Irish for all the contributions that they have made to modern fiction, poetry and drama have fallen somewhat short in the genre of literary criticism. Austin Clarke's essays and reviews, many of which were written under a pseudonym and so not attributed to Clarke for years, go a long way towards filling that gap.

**The Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1902 **Isabel Allende** Mary Ellen Snodgrass, 2013-03-26 Isabel Allende la Famosa to her fellow Chileans is the world's most widely read Spanish language author. Her career coincides with the emergence of multiculturalism and global feminism and her powerfully honest revelatory works touch the pulse points of humankind. Her bravura study of the interwoven roles of women in family history opens the minds of outsiders to the sufferings of women and their children during years of social and political nightmare. This reference work provides an introduction to Allende's life as well as a guided overview of her body of work. Designed for the fan and scholar alike, this text features an alphabetized, fully annotated listing of major terms in the Allende canon including fictional characters, motifs, historical events and themes. A comprehensive index is included. [The Theatre of Sean O'Casey](#)

James Moran, 2013-09-26 This Critical Companion to the work of one of Ireland's most famous and controversial playwrights, Sean O'Casey, is the first major study of the playwright's work to consider his oeuvre and the archival material that has appeared during the last decade. Published ahead of the centenary of the 1916 Easter Rising in Ireland, with which O'Casey's most famous plays are associated, it provides a clear and detailed study of the work in context and performance. James Moran shows that O'Casey not only remains the most performed playwright at Ireland's national theatre but that the playwright was also one of the most controversial and divisive literary figures whose work caused riots and who alienated many of his supporters. Since the start of the Troubles in the North of Ireland, his work has been associated with Irish historical revisionism and has become the subject of debate about Irish nationalism and revolutionary history. Moran's admirably clear study considers the writer's plays, autobiographical writings and essays, paying special attention to the Dublin trilogy. The

Shadow of a Gunman Juno and the Paycock and The Plough and the Stars It considers the work produced in exile during the war and the late plays The Companion also features a number of interviews and essays by other leading scholars and practitioners including Garry Hynes Victor Merriman and Paul Murphy which provide further critical perspectives on the work *George Fitzmaurice* Fiona Brennan,2005 Exploration of the life and work of Irish playwright George Fitzmaurice
