

ISBE Testing Requirement Prior to Admission To an Illinois Educator Preparation Program

Prior to admission to an Illinois Educator Preparation Program at the University of Illinois at Urbana-Champaign, prospective candidates must take and pass an Illinois approved test of basic skills. Approved tests consist of the Illinois Test of Academic Proficiency (TAP), ACT, or SAT with approved scores. Previously passed Illinois Test of Basic Skills (096, 300, or 400) may be used to meet this requirement.

Test of Academic Proficiency:

Registration, a study guide, and test framework for the TAP can be found at www.il.nesinc.com. Test scores should be sent to the University of Illinois at Urbana-Champaign, code 052.

To use an ACT score, the following must be met:

- 1) ACT composite score must be at least 22;
- 2) ACT combined English/Writing score must be at least 19 for tests prior to September 2015; or
- 3) ACT writing score must be at least 16 for tests taken September 2015 or after.

To use an SAT score, the following must be met:

- 1) SAT combined score (critical reading and math) of at least 1030; and
- 2) SAT writing score of at least 450.

Please note when using ACT or SAT scores, the appropriate scores must be from one test attempt. A combined score cannot be used with a writing score from a separate test attempt.

How to Submit ACT/SAT Scores to ISBE

Prospective candidates who wish to use their ACT/SAT scores must complete the following steps in the order presented below:

- 1) Log onto (or create an ELIS (Educator Licensure Information System) account if you don't already have one). To create an account go to <https://sec3-isbe.net/IWASNET/login.aspx> and click on the 'Sign Up Now' link on the left side menu.
- 2) **Request ACT/SAT** send an official score report to the Illinois State Board of Education, Division of Teacher and Leader Effectiveness, 100 North First Street, S-306, Springfield, IL 62777. **If sending ACT scores, you must use college code 3001 to have the reports sent directly to ISBE. The State does not have a school code for SAT; therefore you must send the report to the aforementioned address.***

***IMPORTANT: ISBE will only hold your scores for 30 days; therefore, it is imperative that you create an ELIS account prior to requesting your scores from ACT/SAT. Before you can be fully admitted to a licensure program the Council on Teacher Education must be able to verify, in the ELIS system, that you have either passed the Test of Academic Proficiency or that the ISBE has accepted your ACT/SAT scores.**

Out of State applicants who have taken and passed a basic skills test leading to licensure in another state should complete one of the two following forms. Please choose the form that best fits your circumstances.

ISBE Form 80-03 <http://isbe.net/licensure/pdf/80-03-oos-basic-skills-verification-isbe.pdf>

ISBE Form 80-02 <http://isbe.net/licensure/pdf/80-02-standards-verification.pdf>

most widely used principles textbooks in the country Finally our national content as well as our question selection is further tailored to the state testing outline promulgated by PSI for Illinois Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state s testing service and your Illinois license exam A word about the test questions IL RELEP s testing practice section consists of ten national practice tests three state practice tests and one state exam sample test The practice tests are roughly 50 questions in length and the sample test is 100 questions The test questions are designed to cover the content covered by the law reviews which reinforces your learning of the total body of information tested by your state exam The questions are direct to the point and designed to test your understanding When you have completed a given test you can check your answers against the answer key in the appendix You may also note that each question s answer is accompanied by a brief explanation or rationale to further reinforce your understanding In the end as you know it s all up to you Unlike other publications we are not going to tell you that using this book will guarantee that you pass your state exam It still takes hard work and study to pass But we have done our best here to get you ready Following that the most we can do is wish you the best of success in taking and passing your Illinois real estate exam So good luck For students looking for a more comprehensive Illinois principles textbook we publish Principles of Real Estate Practice in Illinois
