COMMON ENTRANCE (CE) 13+ SUBJECT GUIDE FOR FAMILIES: SCIENCE

CE 13+ exams are taken by pupils at the end of their entrance application to senior independent schools for entry into Year 9. Pupils in one of the following year groups are invited to CE 13+ exams, being well-trusted and ready.

This guide provides an explanation of the CE 13+ Science exam structure, and knowledge and skills you will encounter, and what you should expect. It also contains tips and advice for successful exam preparation, and a list of further support to help your child throughout the application process with your school.

COMMON ENTRANCE (CE) 13+ SCIENCE EXAMINATION

The CE 13+ Science exam is designed to assess pupils' ability to:

- Recall factual information and demonstrate their knowledge and understanding
- Apply their knowledge to familiar and new contexts, including processes and applications
- Recognise the wider importance of their knowledge and understanding to science and to society

The exam will contain questions about practical techniques and scientific processes, assessing whether the pupils can:

- Recall information and measurements with appropriate precision
- Analyse, interpret, explain and evaluate a scientific method
- Complete a results table and draw conclusions from the results

A maximum of 20% of the marks in each paper will be based on a Thinking and Writing as a Scientist section of the CE 13+ Science qualification. This will encourage pupils to build on existing differences in evidence to make evidence, considering the validity and reliability of their data and identifying problems in experimental design.

The exam papers will use a variety of 'question words' which indicate the type of response is expected at the start of the question.

COMMON ENTRANCE (CE) 13+ SCIENCE EXAMINATION

The CE 13+ Science exam can be taken at either Pre-Examination or Examination. The Pre-Examination can bring together more academic questions in comparison to Exams. Your child's school should set clearly what the decision after thinking of all prospective senior schools and preparing their entry, entry.
