GRE Analytical Writing Vibrant Publishers Staff, 2017-01-20. This book is intended to help you to prepare for the Analytical Writing section of the revised GRE test. One, Analyze an Issue, requires you to follow specific directions as you take a position on a statement, claim, or recommendation. The prewriting activities demonstrate how the writer selected a point of view and created evidence to use in developing the responses. You should notice a variety of approaches from using first person point of view to employing historical and literary references. These are just suggestions. Your own experience reading and course work may lead you to take different approaches. Keep in mind the specific directions, the rubric, and your own experience in writing at the college level.
