The jailer brought them into his house and set a meal before them.

The jailer was filled with joy, because he had come to believe in God—he and his whole household.

About midnight Paul and Silas were praying and singing hymns to God, and the other prisoners were listening to them.

Suddenly there was a huge earthquake that shook the whole jail. The prison doors flew open, and everyone's chains came loose.

Growing the Church Gary Vickery,2021-05-03 My mother made sure that all of us were in church on Sunday and that we went to all the Revivals and to vacation Bible schools every summer and after I was married I continued that practice with my family In the 50s 60s and part of the 70s all churches were always full with people sometimes having to stand up in the back But then near the end of the 70s I noticed a decline in church attendance and fewer people were being baptized and this has continued to be a trend today I noticed this and I m sure others have also and yet nothing was done I decided to start writing down my ideas about this several years ago and I kept them in a notebook After I retired I had more time so I decided to put together a plan to not only stop this but also to turn it around and long before I wrote this book I put this plan into action The first church had between fifty and sixty people when this started and in just about three years this church had grown to almost three hundred members So I tried it again with another church in another state and basically the same thing happened So being retired I decided to put this plan together in a book that has taken me almost ten years to implement and write It does work however you just can t wish it to happen It takes work and work from everyone but if we are to follow Christ s commandments it should be a work that is enjoyable and a blessing both for you and to the souls you win and the blessings will continue as you watch your church grow May God bless you in your endeavor Don t give up Indiana
