

Notes for examiners:

1. Whenever relevant, carry over marks must be awarded. If a candidate makes an error in calculation, but then uses the incorrect figure appropriately and accurately in later question parts, then the candidate may be fully rewarded. This is the "own-figure rule" and you should put OFR on the script where you are rewarding this. To do this you will need to use the on-page comment annotation tool ().
2. Alternative approaches may be taken in responses to the [4 mark] questions that use A02 command terms. If this is the case and the alternative approaches are valid, then full credit should be given.
