The Secret of Simplicity Dan Kassera, 2010-10-20 Simplicity is a secret place located in another dimension which is parallel to our own world Its just one of many places that exist in the spirit world Its known only to the select few who have been tricked and abducted from this world and taken there Thats in the belief that they had just won a free shopping trip to the Mall in Minnesota Unknown to them it is far more than that The Mall is really not in Minnesota but somewhere else in that other dimension Both very good and bad people are taken there Some of the really bad ones are imprisoned in that strange mall They are finally brought to justice in some very creative and appropriate ways Most are transported from there to a strangely quaint little river town called Simplicity Those people have all been taken there for very specific reasons Some find a little piece of heaven there A few others find themselves trapped in what for them is their own personal hell There is no escape and no plea bargaining Train visitors are recruited there to serve a vital cause once

they return home That is the cause of freedom and liberty back in America That can only be achieved through well organized civil disobedience and perhaps armed rebellion A very creative new way has been found to actually make that work Its a way that big government control freaks are not prepared to deal with Simplicity is actually the planning and control center for that operation Its permanent residents are all freedom lovers eager to serve in that cause All have lived out their previous lives in America They had earned their reward here in Simplicity where they live on However they are all deceased back in America They can never go back They can though have a tremendous impact and influence on those who are abducted from America to their spirit world Thats where the abducted train visitors are actually shown that there really is a spirit world They can actually meet their dead friends relatives and acquaintances They learn that life really does go on They also learn that America is forever doomed unless the new plan can be made to work Thats when they get recruited They are all promised that their next life will be lived in Simplicity as a reward for their efforts back home What greater proof and incentive could there ever be Those residents of Simplicity have all passed their final exams and have been promoted to a higher level of existence If you cant believe them who can you believe Now educated and informed the train visitors return back home with newfound courage and a tremendous desire to do the right thing That is because seeing is believing Those chosen ones had been granted a rare privilege They actually enter into the spirit world while they are still living in this world There they get a real shock their proof of immortality They actually meet the dead who had summoned them That must be done in a very careful way so as not to cause heart attacks or fainting spells Before they are sent back they are all given two special gifts completely unattainable in their world If they ever doubt the experience those two items will convince them otherwise One is a large medallion made of a strange material unknown on earth It says simply I was there The second mystery item is an unbreakable pocket mirror in a leather case Removed from the case the mirror emits an eerie glow Printed below the mirror are the words I cannot do everything but I can do something That which I can do I ought to do I will not fail Most importantly the train visitors are recruited into the most secret of all organizations Its purpose is to restore freedom to America by any means necessary That is the real secret of Simplicity Among them is a young man named Joe Quin He has been tricked into going there like all the others but for a different purpose Joe is a person of spec The Secret Empress Frank R. Heller, 2019-03-08 Joe Wilder is focused on turning a successful bodybuilding career into a billion dollar international health and fitness conglomerate He thinks he s safely left behind his dangerous past as a CIA field agent except for nightmares about gunfire screams and holding the lifeless body of a boy he cannot save Facing massive price increases that could bankrupt his company Joe travels to China for a confrontation with the ministry of trade To his surprise the deputy minister offers a deal in exchange for Joe helping her twelve year old son Charley travel to America But when the minister is murdered within hours of signing the new contracts Joe becomes both a suspect and the guardian of a boy with a secret Relying on skills from his former life to stay alive Joe has just four days to get Charley to safety before the most powerful

criminal gang in China tracks them down Hunted by every drug dealer thug and petty criminal who owes allegiance to the gang can Joe and Charley survive long enough to see America The Secret Empress is the gripping tale of an American entrepreneur s dangerous quest to fulfill the last wish of a Chinese official before she is brutally murdered *The Mystery of the Missing Money (The Mystery Series Short Story 1)* Paul Moxham, Are you up for a thrilling adventure The seaside village of Smugglers Cove is proving to be anything but quiet for the four children as they encounter yet another mystery while exploring Brackness Castle This ruined fortress sits on the outskirts of the village and as the children soon discover holds more secrets than they could ever imagine Who is hiding in the dungeons What is in the bag Where does the secret tunnel lead to Set in 1950 s Britain this FREE adventure story will suit people who enjoy Nancy Drew the Hardy Boys or the Famous Five THE MYSTERY SERIES This middle grade series set in 1950 s UK will delight children of all ages Perfect for fans of Enid Blyton Famous Five Secret Seven Carolyn Keene Nancy Drew Franklin Dixon Hardy Boys and Gertrude Chandler Warner The Boxcar Children Suitable for children 6 8 9 12 and even adults who love a clean and wholesome story
