Deadly Biocultures Nadine Ehlers, Shiloh Krupar, 2019-12-17 A trenchant analysis of the dark side of regulatory life making today In their seemingly relentless pursuit of life do contemporary U S biocultures where biomedicine extends beyond the formal institutions of the clinic hospital and lab to everyday cultural practices also engage in a deadly endeavor Challenging us to question their implications Deadly Biocultures shows that efforts to make life are accompanied by the twin operation of let die they validate and enhance lives seen as economically viable self sustaining productive and oriented toward the future and optimism while reinforcing inequitable distributions of life based on race class gender and disability Affirming life can obscure death create deadly conditions and even kill Deadly Biocultures examines the affirmation to hope target thrive secure and green in the respective biocultures of cancer race based health fatness aging and the afterlife Its chapters focus on specific practices technologies or techniques that ostensibly affirm life and suggest life's inextricable links to capital but that also engender a politics of death and erasure The authors ultimately ask what alternative social forms and individual practices might be mapped onto or intersect with biomedicine for more equitable biofutures

Bernard Lonergan's Method and a Medical Doctor's Approach to Healthcare John Raymaker, 2021-03-10 Pat Daly MD has written a series of articles which uphold Bernard Lonergan's method explored in his famous book Insight as a model that could be followed or applied in practicing medicine or promoting healthcare Daly calls his effort a GEM Model for medicine Daly however has not explored in depth Lonergan's second major work Method in Theology which develops an eight step method that complements Insight This book focuses on these eight steps or Functional Specialties so as to better promote Lonergan's views on Healing and Creating in History

Vaccinating Britain Gareth Millward, 2019-01-29 This electronic version has been made available under a Creative Commons BY NC ND open access license This book is available as an open access ebook under a CC BY NC ND licence Vaccinating Britain shows how the British public has played a central role in the development of vaccination policy since the Second World War It explores the relationship between the public and public

health through five key vaccines diphtheria smallpox poliomyelitis whooping cough and measles mumps rubella MMR It reveals that while the British public has embraced vaccination as a safe effective and cost efficient form of preventative medicine demand for vaccination and trust in the authorities that provide it has ebbed and flowed according to historical circumstances It is the first book to offer a long term perspective on vaccination across different vaccine types This history provides context for students and researchers interested in present day controversies surrounding public health immunisation programmes Historians of the post war British welfare state will find valuable insight into changing public attitudes towards institutions of government and vice versa

The Instability of Truth Rebecca Lemov, 2025-03-25 An acclaimed historian of science uncovers the hidden history of brainwashing and its troubling implications for today Because brainwashing affects both the world and our observation of the world we often don't recognize it while it's happening unless we know where to look As Rebecca Lemov writes in *The Instability of Truth* Brainwashing erases itself What we call brainwashing is more common than we think it is not so much what happens to other people as what can happen to anyone *The Instability of Truth* exposes the myriad ways our minds can be controlled against our will from the brainwashing techniques used against American POWs in North Korea to the soft brainwashing of social media doomscrolling and behavior shaping In our increasingly data driven world anyone can fall victim to mind control Lemov identifies invasive forms of emotional engineering that exploit trauma and addiction to coerce and persuade in everyday life Tracing the word brainwashing from deep in the files of an operative of the U S Office of Strategic Services in the 1950s to the pioneering research of Robert Jay Lifton to the public trials of cult leaders and the case of Patty Hearst Lemov also studies how the idea of mind control has spread across the globe and penetrated courtrooms secret labs military schools and today's digital sites *The Instability of Truth* offers lessons from mind control episodes past and present Truth is always subject to question in more mundane walks of life than most people believe and Lemov equips us for the increasing challenges we face from social media AI and an unprecedented global form of surveillance capitalism *The Instability of Truth* develops a rigorous new understanding of both brainwashing's paradoxes and its emotional roots by giving voice to brainwashers the brainwashed and third party observers alike

Spacematrix Meta Berghauser Pont, Per Haupt, 2023-05-23 *Spacematrix* explores the potential of urban density as a tool for urban planning and design This revised and extended edition of Meta Berghauser Pont and Per Haupt's 2010 volume includes an extensive analysis of the relations between density urban form and performance a prerequisite for understanding and successfully predicting the effects of specific designs and planning proposals The density database that is an integral part of the book has been expanded and now includes 142 examples from five capitals in Europe as well as examples from Asia Berghauser Pont and Haupt demystify the use of concepts such as urbanity compact city and park city by challenging the reliability of such concepts and critically examining the possibility of redefining them through quantification using multiple density measures *Spacematrix* is of interest to professionals working in the field of urbanism

such as architects urban planners and designers as well as developers economists engineers and policymakers It also offers researchers a method to quantitatively describe urban form and connect this to a wide range of performances Books in Print Supplement ,1984 **13+ Science Level 2 Biology Mark Scheme (Summer Term 2013)** Iseb Iseb,2013-03-21
