comes to California to make the hills of San Francisco run red with blood San Francisco is the most photogenic city in America with rolling hills clanging trolleys and all the charm that Northern California has to offer But it is also the nation s pornography capital and for that it has drawn the attention of Mack Bolan the Executioner whose one man war against the Mafia grows more merciless with every battle He reopens the fight at a nightclub launching a satchel of high explosives into a meeting of local mobsters Just before it detonates he notices a delicate young beauty walking into the club He yanks her away from the blast delaying his own escape and bringing the full firepower of the San Francisco mob down onto himself She offers him a way out but will it lead to safety or an ambush Either way the Executioner will be ready California Hit is the 11th book in the Executioner series but you may enjoy reading the series in any order Hello: A Trilogy Addie Lynn

Co,2013-06-23 What if The One actually walks up to you and even says hello would you greet back or turn your back unknowingly that you have actually met Would you know when you ve actually met Serendipity is a funny thing that brings a tinge of bittersweet bliss to anyone who is fortunate to experience it Hello is a trilogy that explores how serendipitous life can sometimes be Definitely Maybe is a story of how fate plays with two people as they meet each decade hoping that maybe this time around they can finally be together Almost Mismatch tells how two people so right for each other be so wrong and no matter how much they try to suppress their feelings true love will not stop at anything What is meant to be will be Finally Dinner Date portrays how two people s search for love could take them to different places and people only to lead them back to where they started The world is just like a huge maze that no matter what direction one walks to there will always be one final destination There seems to be an invisible string that is handcuffed to two people on each end and unsuspectingly pulls these two people destined for each other back together no matter how long it takes
