Just Another Game English Edition:

Killa Kevin Kilbane, 2013-10-03 Kevin Kilbane is Ireland's third most capped player of all time with 110 appearances for his country including an incredible 66 consecutive matches. He played more than 600 matches at professional level and in Ireland is nothing less than a folk hero. But things could have been very different. Kilbane grew up the hard way enduring a tough Lancashire childhood with his Irish immigrant family. It was only his prowess on the pitch and subsequent signing with his childhood club Preston North End that gave him the opportunity to escape poverty. Kilbane has since built a formidable reputation as an honest dedicated professional who always gave his very best; he became a firm favourite with fans at the likes of West Bromwich Albion, Everton, Wigan and Hull as well of course as Ireland before he retired in 2012. Nowadays he is making a name for himself as a thoughtful analyst of the game on television and radio. But football is not the only passion in his life; as the parent of a daughter with Down's syndrome, he gives as much time and support as he can to the Down's Syndrome Association and Down's Syndrome Ireland, to which all the royalties from this book are being donated. Kilbane's autobiography is a genuinely inspiring story of a stalwart of the beautiful game. **Sealed For A Purpose** Phillip

Moore, 2004-04 The Curse of Carl Mays Howard Camerik, 2006-06 Was it really Bambino's Curse or something else all along? It's October 25, 1986, for Red Sox Nation a date that will live in infamy: Game Six. Pat McCarvill is Boston's popular mayor presiding over a boomtown riding the wave of the Massachusetts Miracle. Despite his success, he's forever haunted by a youthful decision to abandon a once promising professional baseball career. McCarvill was born on the anniversary of the tragedy to which he has always felt strangely connected: the death of Ray Chapman, killed by a pitch thrown by a one-time Red Sox star, Carl Mays. Hours before Game Six is to begin, that cosmic connection will unfold. McCarvill is injured while playing in a pre-game charity event, but the paramedics dispatched to his aid mysteriously travel back to 1920, rescuing Chapman instead. The historical timeline has been tampered with, and back in 1986 things have changed for McCarvill, for the Red Sox, for all of Boston. Now a legendary fable will be debunked, a life's regret will be redeemed, and a city's dream will be fulfilled, but at what cost. **Rise and Fire** Shawn Fury, 2016-02-23 It's hard to believe that there was a time when the jump shot didn't exist in basketball. When the sport was invented in 1891, players would take set shots with both feet firmly planted on the ground. It took almost forty years before players began shooting jump shots of any kind, and sixty-five years before it became a common sight. When the first jump shooting pioneers left the ground, they rose not only above their defenders but also above the sport's conventions. The jump shot created a soaring offense, infectious excitement, loyal fans, and legends. This book celebrates this crucial shot while tracing the history of how it revolutionized the game, shedding light on all corners of the basketball world. **REQUIEM FOR A GAME** Robert Williams, Satirical and raunchy look at football in which a former NFL linebacker looks back on his life after realizing he has a head injury caused by playing football. *National 4-H Club*
