

A woman with voluminous, dark, curly hair is the central figure. She is wearing a dark, sleeveless top with a light-colored, possibly sequined or patterned, texture. She is holding a long, light-colored wooden staff or baton diagonally across her body. The background is dark and industrial, with vertical metal bars or pipes visible. The lighting is dramatic, highlighting her face and hair.

Kims Depravity English Edition:

The Soul of Poetry Inside Kim-Van-Kieu Thuy Lexuan, 2010-12 Kim Van Kieu for centuries has been regarded by the Vietnamese as the most beautiful jewel in painting the sentimental tenderness of the human soul Edited in the early 1813 s this masterpiece of 3250 verses was structured in a particular form of prosody that has become since then a cherished anthem of Vietnamese poetry The story concerns a maiden endowed with mental and bodily graces an elite who placed between love and filial devotion deliberately chose the harder way she sold herself to save her father a victim of an unjust calamity And from that day on she passed from one misfortune to another until she sank into the most abject depravity But like the lotus after a long chain of stormy winds she succeeded in elevating herself and preserving the pure perfume of her original soul Homesickness seemed to carry away Her soul toward the forlorn clouds of Tsin My poor old parents Both now must be quite old Since my departure has their grievance Subsided any as time went by So fast more than ten years out of sight If they still live maybe their skin Has been wrinkled and their hair has turned gray Like frost covered as it had never been And the old love Regretful I may say Like the lotus torn off from its stem Though their former binding had been broken The feelings Kieu had conceived for Kim Seemed to still have a slight venation Kim Van Kieu 1963 Edition English translation by Professor Le Xuan Thuy had given the Western readers a chance to taste the delights of a new style of poem in prose version of Vietnamese poetry into English Forty six years later came into light a fresher gem with a more inspired form The Soul of Poetry inside Kim Van Kieu a vibrant versification of Kim Van Kieu by Professor Le Xuan Thuy himself well known online as international poet Hall of Fame Thuy Lexuan ASO **A Complete Dictionary of the English Language, Both with Regard to Sound and Meaning ... Fred G. Womack,2014-03-31 This book is an autobiographical account of how a six year old girl was diagnosed with terminal cancer and how her father coped with the shock and trauma of it all The illness the death and the fathomless depths of anguish that followed are not sidestepped in this volume but are described as accurately as author Fred G Womack was

capable of doing As the great trial got underway Womack had a good idea of what he might expect of people in the face of the challenges before them But in all honesty he did not know what he might expect of God Of course he knew that God had done some extraordinary things for people in the Bible who found themselves in various predicaments All the same he had no assurance that God would provide any comparable help to his daughter and family in their painful plight At this time Fred Womacks Christianity was much like that of a hypothesis that had never been tested Be that as it may early in the illness it became clear that the worst thing that had ever happened to his family would be the occasion for spiritual revelations that would amaze and enthrall himself and his ill daughter to the degree that they would ameliorate the anguish being felt and occasionally fully compensate the emotional suffering that was so devastating After the daughters death God continued to bring to the fathers attention many inexplicable spiritual manifestations all of which correlated in some way with the spiritual happenings that took place during his daughters illness

The Sun Tyrant JP Floru, 2017-06-20 When Londoner JP Floru tags along with three friends running the marathon in Pyongyang little could have prepared him for what he witnessed Shown by two minders what the regime wants them to see during their nine day trip the group is astounded when witnessing people bowing to their leaders statues being told not to take photos of the leaders feet and hearing the hushed reverence with which people recite the history invented by the regime to keep itself in power Often the group did not understand what they were seeing from the empty five lane motorway to the missing fifth floor of their Yanggakdo Hotel on an island in the Pudong River many answers only came through extensive research of the few sources that exist about this hermit country Shocking and scary The Sun Tyrant uncovers the oddities and tragedies at the heart of the world s most secretive regime and shows what happens when a population is reduced to near slavery in the twenty first century *Kim Il Sung Il-söng* Kim, 1987
