Look, Listen, Learn, LEAD Jeffery Smith,Kate Wolfe Maxlow,John Caggianno,Karen L.

Sanzo,2020-10-01 Look Listen Learn LEAD A District Wide Systems Approach to Teaching and Learning in PreK 12 lays out the transformational journey of Hampton City Schools HCS an urban school division of 30 schools in southeastern Virginia Our school district faces numerous challenges such as 62% of students receiving free and reduced price lunch and 14% of students holding an IEP and in 2015 2016 Hampton City Schools state accreditation rate was approximately half the statewide rate and on a downward trend In only three years that was turned around and HCS exceeded the statewide accreditation rate a more than 100% improvement with 100% of our schools accredited without conditions We attribute this in large part to our dedicated educators and their implementation of district wide systems for curriculum instruction checking for student understanding climate and culture The goal of this book is to break down the process of what it takes to bring about large scale educational change that is sustainable We describe a process for developing a strong mission and vision to undergird the work around a variety of district wide systems This book provides insights into how to improve climate and culture create a guaranteed and viable written curriculum establish a process for evaluating its implementation and create a balanced assessment framework to measure student success Complete with example templates action plans and lessons learned this book is a true example of theory into practice to bring about sustained improvement for all learners

Rigorous Curriculum Design Larry Ainsworth,2010 The need for a cohesive and comprehensive curriculum that intentionally connects standards instruction and assessment has never been more pressing For educators to meet the challenging learning needs of students they must have a clear road map to follow throughout the school year *Rigorous Curriculum Design* presents a carefully sequenced hands on model that curriculum designers and educators in every school system can follow to create a progression of units of study that keeps all areas tightly focused and connected *From Rigorous Standards to Student Achievement* Laura Mc Cullough,2013-09-27 This book showcases strategies which support teachers and principals as they implement high standards for students At the same time it demonstrates how to meet the needs of diverse learners

Resources in Education ,1991 **Equity Warriors** George S. Perry (Jr.),George S. Perry, Jr.,Joan Richardson,2022-01-14 Equity leadership is a complex and often perilous endeavor particularly in our current era of political polarization The fundamental and paradoxical challenge is advancing equity in a system that was never designed to serve all children Deep systemic change will happen only when educators and their community partners understand how the interlocking systems in education operate and learn how to crack the codes that have perpetuated those systems A number of books on equity leadership focus on single improvement strategies such as equity audits equitable grading practices and cultural competence However there are few guides to navigating the complex barriers to implementing deep rooted change The proposed title is unique in that it honors the complexity of such change but at the same time equips leaders with actionable strategic moves to advance an equity agenda And while knowing these moves is important knowing when to make the moves is critical The moves are non linear interconnected and sometimes overlapping possibly ambiguous and always
