Hanger Stout, Awake!: 50th Anniversary Edition Jack Matthews,2012-03-20 Clyde Stout is a high school graduate in a small Ohio town he loves tinkering with cars and dreaming

about his girlfriend He is coasting until he discovers he has a new talent the ability to hang from a metal bar longer than anybody Others start calling him Hanger and an out of town stranger trying to help the boy to profit from this talent organizes various hanging competitions At first Hanger goes along but after a while he becomes suspicious of the stranger s motives is he for real Hanger is no longer a boy and not yet an adult but he finds himself in a world where older adults are constantly offering advice and supervision and alleged wisdom Until then Hanger had always been an amiable and trusting sort now Hanger needs to look at things through adult eyes can he adapt to a world which seems less safe or reliable but possibly more profound This slender 150 page coming of age novella was first published in 1967 and reprinted several times Now in celebration of its 50th anniversary it is available as an ebook TIME MAGAZINE described it as a gentle first novel told with a fine ear for adolescent patois and National Book Award winning poet William Stafford called it one of the most neglected works of the 20th century Southern novelist Eudora Welty said about the book I like it and warmly admire his sturdy subject and delicately restrained treatment It seemed to me blessed with honesty clarity directness proportion and a lovely humor The book is a fun and easy read Not too much seems to happen in the novel and the protagonist we re sorry to report is not a werewolf or vampire or time traveler or wizard or superhero to all appearances he s just an ordinary guy but if you penetrate beneath appearances you ll find that he s defiantly and unforgettably unique This book will help you remember how it felt to be a teenager before you needed to start worrying about more serious matters Like life or what passes for life in the world of adults This 50th anniversary edition includes an introductory essay Hanger at 50 Years A Ruminant by Robert Nagle Here is a contemporary character so rich in innocence he seems a hybrid descendant of Candide and Don Quixote Hanger Stout stays in your memory hanging on as only a Champion can for a long long time Laurie Levy CHICAGO TRIBUNE The author has created a true American original in the line of Huckleberry Finn Penrod Schofield Pluppy Shute and Dink Stover as the hero of one of the best novels of this or any other recent year Ernest Cady COLUMBUS DISPATCH In an automobile graveyard of human possibilities using all the strengths of realism and none of its cliches Jack Matthews presents a deeply original novel I think it is tremendous J Michael Yates MUNDUS ARTIUM charming delightful and thoroughly readable novel Gregor Roy CATHOLIC WORLD a superb novel which must be read before it is read about Day Thorpe WASHINGTON STAR Introducing from the tree limb on the left the hangingest hanging man in the country Clyde Stout Sound like a wiggly field event It started when Mr Comisky drove into the station to have his car fixed But it s Clyde s story told in diary form and he s one of the most charming congenial characters met in years Clyde isn t too intelligent but he s smart He s also in cred ibly naive innocence personified A delightful notion of a book Hang in there boy KIRKUS REVIEW

Three Times Time Jack Matthews, A year before he died Jack Matthews author of 10 story collections and over 30 books was asked to suggest his 3 favorite stories from all his books for this story sampler Amos Smith the Gunsmith reaches into the folk tale tradition to produce a nice allegory about human labor A Woman of Properties is a satirical suburban tale

reminiscent of Flannery O'Connor or Cheever about a real estate agent with a grudge The Girl at the Window is an unsettling and mysterious tale about our relationship to the past Also included is an extended interview the author gave about the craft of writing in 2009 During his career as a writer Mr Matthews was distinguished professor of Fiction Writing at Ohio University in Athens Ohio for over 4 decades Winner of Guggenheim and several arts grants Matthews has been anthologized widely translated into several languages and nominated for a National Book Award His own books have been praised by Eudora Welty Anthony Burgess Shirley Ann Grau Tim O'Brien Doris Grumbach Walker Percy and a host of other famous and highly accomplished authors Mr Matthews is a master of prose conversation and deadpan charm He is ironic cool and shrewd and he writes a lucid prose Tom O'Brien New York Times Matthews always graceful prose finds that precise telling detail It's easy to fall in love with such writing Perry Glasser North American Review Engaging wit and irony have been characteristic of Matthews's writing from the start and both are strongly present in his latest gatherings of stories His irony is increasingly darker however and his characters' obsession with memory and its distortions plays a more dominant role in this later work much of which deals with death For the most part these are stories with deceptively simple and ordinary surfaces but they are driven by powerful and ominous undercurrents which often fuse the local and regional with the archetypal Few can do it better Without question Matthews has established himself as one of America's finest storytellers Stanley Lindberg editor Georgia Review The Configuration of the Rock Floor of Greater New York William Herbert Hobbs, 1905 Bibliography and Index of North American Geology, Paleontology, Petrology and Mineralogy for the Year 1904 Fred Boughton Weeks, 1905

Editing and Publishing e-Books Nicolae Sfetcu, 2015-01-01 You wrote a book Very nice But you didn't write to keep it for you You should publish it The problem is that the publishers charge high prices for some authors' pockets and do it objectively due to the high cost of printing But you allowed that luxury and now you have a printed book with you as the author You can keep hundreds or thousands of volumes in your personal library and give it as a gift to your friends in special occasions or try to distribute in various libraries You managed to distribute it the book is beautifully placed in shelves In time dust is spread on covers After a while the book is withdrawn It remains to use it as decoration at home or support for various household items But lucky for you there is an alternative cheaper and more effective in selling your book e-Books e-Book and online publishing market has evolved rapidly in recent years and a lot of companies have entered this market as publishers online bookstores or promoting e-books **Bibliography and Index of North American Geology, Paleontology, Petrology, and Mineralogy, for 1892 and 1893, [1894-1899, 1901-1904]** Fred Boughton Weeks, 1906 **The Traditions of Rabbi Ishmael, Volume 1: Non-Exegetical Materials** Gary G.
