

King Richard II

William Shakespeare

King Richard II:

Tragedy of King Richard II William Shakespeare, 1870 **King Richard II** Margaret Shewring, 1998 Considers the theatrical fortunes of Richard II from its politically controversial beginnings on the Elizabethan and Restoration stage to its various later interpretations responding to 19th and 20th century tastes and attitudes A wide range of performances is documented and discussed These illustrate the ways in which different theatres and companies have staged the play by cutting restructuring or adding to Shakespeare's script to highlight spectacle the personality of the King the nature of authority and the place of Richard in the overall sweep of English history King Richard II William Shakespeare, 2015-09-16 King Richard the Second is a history play by William Shakespeare believed to have been written in approximately 1595 It is based on the life of King Richard II of England ruled 1377-1399 and is the first part of a tetralogy referred to by some scholars as the Henriad followed by three plays concerning Richard's successors Henry IV Part 1 Henry IV Part 2 and Henry V It may not have been written as a stand alone work **Richard II** William Shakespeare, 2015-07-29 More William Shakespeare's eBook The play spans only the last two years of Richard's life from 1398 to 1400 The first Act begins with King Richard sitting majestically on his throne in full state having been requested that he arbitrate a dispute between Thomas Mowbray and Richard's cousin Henry Bolingbroke who has accused Mowbray of squandering money given to him by Richard for the King's soldiers and of murdering his uncle the Duke of Gloucester Bolingbroke's father John of Gaunt meanwhile believes it was Richard himself who was responsible for his brother's murder After several attempts to calm both men Richard acquiesces and Bolingbroke and Mowbray challenge each other to a duel over the objections of both Richard and Gaunt The tournament scene is very formal with a long ceremonial introduction but as the combatants begin to fight Richard interrupts and sentences both to banishment from England Bolingbroke is originally sentenced to leave for ten years but Richard changes this to six years while Mowbray is banished permanently The king's decision can be seen as the first mistake in a series leading eventually to his overthrow and death since it is an error which highlights many of his character flaws displaying as it does indecisiveness both in terms of whether to allow the duel to go ahead and in terms of how long to exile Bolingbroke for abruptness Richard waits until the last possible moment to cancel the duel and arbitrariness there is no apparent reason why Bolingbroke should be allowed to return and Mowbray not In addition the decision fails to dispel the suspicions surrounding Richard's involvement in the death of the Duke of Gloucester in fact by handling the situation so high handedly and offering no coherent explanation for his reasoning Richard only manages to appear more guilty Mowbray predicts that the king will sooner or later fall at the hands of Bolingbroke John of Gaunt dies and Richard II seizes all of his land and money This angers the nobility who accuse Richard of wasting England's money of taking Gaunt's money belonging by rights to his son Bolingbroke to fund war in Ireland of taxing the commoners and of fining the nobles for crimes committed by their ancestors They then help Bolingbroke secretly return to England in a plan to

overthrow Richard II There remain however subjects who continue faithful to the King among them Bushy Bagot Green and the Duke of Aumerle son of the Duke of York cousin of both Richard and Bolingbroke When King Richard leaves England to administer the war in Ireland Bolingbroke seizes the opportunity to assemble an army and invades the north coast of England Executing both Bushy and Green he wins over the Duke of York whom Richard has left in charge of his government in his absence Upon Richard s return Bolingbroke not only reclaims his lands but lays claim to the very throne Crowning himself King Henry IV he has Richard taken prisoner to the castle of Pomfret Aumerle and others plan a rebellion against the new king but York discovers his son s treachery and reveals it to Henry who spares Aumerle as a result of the intercession of the Duchess of York while executing the other conspirators After interpreting King Henry s living fear as a reference to the still living Richard an ambitious nobleman Exton goes to the prison and murders him King Henry repudiates the murderer and vows to journey to Jerusalem to cleanse himself of his part in Richard s death From Wikipedia [The Life and Death of King Richard II](#) William Shakespeare,2024-04-05 The Life and Death of King Richard II is a historical play written by William Shakespeare believed to have been composed around 1595 The play chronicles the events surrounding the reign of King Richard II of England focusing particularly on his downfall and deposition At the beginning of the play Richard II is depicted as a young and arrogant king who believes in the divine right of kings and the absolute power of the monarchy However his rule is soon challenged by rebellious nobles including Henry Bolingbroke later King Henry IV who accuses Richard of mismanagement and tyranny As the power struggle intensifies Richard s authority begins to unravel leading to his eventual deposition and imprisonment The play explores themes of political legitimacy divine providence and the nature of kingship raising questions about the relationship between rulers and their subjects **King Richard II** William Shakespeare,2014-07-10 King Richard the Second is a history play by William Shakespeare believed to have been written in approximately 1595 It is based on the life of King Richard II of England ruled 1377 1399 and is the first part of a tetralogy referred to by some scholars as the Henriad followed by three plays concerning Richard s successors Henry IV Part 1 Henry IV Part 2 and Henry V It may not have been written as a stand alone work **King Richard II** William Shakespeare,2014-07-27 King Richard the Second is a history play by William Shakespeare believed to have been written in approximately 1595 It is based on the life of King Richard II of England ruled 1377 1399 and is the first part of a tetralogy referred to by some scholars as the Henriad followed by three plays concerning Richard s successors Henry IV Part 1 Henry IV Part 2 and Henry V It may not have been written as a stand alone work Although the First Folio 1623 edition of Shakespeare s works lists the play as a history play the earlier Quarto edition of 1597 calls it The tragedie of King Richard the second The play spans only the last two years of Richard s life from 1398 to 1400 The first Act begins with King Richard sitting majestically on his throne in full state We learn that Henry Bolingbroke Richard s cousin is having a dispute with Thomas Mowbray and they both want the king to act as judge The subject of the quarrel is Bolingbroke s accusation that

Mowbray had squandered monies given to him by Richard for the King's soldiers Bolingbroke also accuses Mowbray of the recent murder of the Duke of Gloucester although John of Gaunt Gloucester's brother and Bolingbroke's father believes that Richard himself was responsible for the murder After several attempts to calm both men Richard acquiesces and Bolingbroke and Mowbray challenge each other to a duel over the objections of both Richard and Gaunt The tournament scene is very formal with a long ceremonial introduction But Richard interrupts the duel at the very beginning and sentences both men to banishment from England Bolingbroke is originally sentenced to leave for ten years but Richard changes this to six years whereas Mowbray is banished forever The king's decision can be seen as the first mistake in a series that will lead eventually to his overthrow and death Indeed Mowbray predicts that the king will fall sooner or later at the hands of Bolingbroke John of Gaunt dies and Richard II seizes all of his land and money This angers the nobility who accuse Richard of wasting England's money of taking Gaunt's money which rightfully belongs to Bolingbroke to fund a war in Ireland of taxing the commoners and of fining the nobles for crimes their ancestors committed Next they help Bolingbroke secretly return to England and plan to overthrow Richard II However there remain some subjects faithful to Richard among them Bushy Bagot Green and the Duke of Aumerle son of the Duke of York cousin of both Richard and Bolingbroke King Richard leaves England to administer the war in Ireland and Bolingbroke takes the opportunity to assemble an army and invade the north coast of England He executes Bushy and Green and wins over the Duke of York whom Richard has left in charge of his government during his absence When Richard returns Bolingbroke first claims his land back but then additionally claims the throne He crowns himself King Henry IV and Richard is taken into prison to the castle of Pomfret Aumerle and others plan a rebellion against the new king but York discovers his son's treachery and reveals it to Henry who spares Aumerle as a result of the intercession of the Duchess of York but executes the other conspirators After interpreting King Henry's living fear as a reference to the still living Richard an ambitious nobleman Exton goes to the prison and murders the former king King Henry repudiates the murderer and vows to journey to Jerusalem to cleanse himself of his part in Richard's death

Richard II William Shakespeare, 2015-11-24 When King Richard II banishes two feuding noblemen from England he sets into motion a series of events that will eventually cost him his crown and his life

Richard II William Shakespeare, 2010-09-14 Eminent Shakespearean scholars Jonathan Bate and Eric Rasmussen provide a fresh new edition of Richard II chronologically the first of the eight plays in Shakespeare's History Cycle which marks the beginning of a great schism within the nobility of England that will leave the nation riven by bloody conflict for the next hundred years This volume also includes more than a hundred pages of exclusive features including an original Introduction to Richard II incisive scene by scene synopsis and analysis with vital facts about the work commentary on past and current productions based on interviews with leading directors actors and designers photographs of key RSC productions an overview of Shakespeare's theatrical career and chronology of his plays Ideal for students theater professionals and general readers these modern and accessible editions from the Royal
