

HOW TO USE THE WASHER

1. Power

- Use this button to turn the Power On/Off.

2. Cycles

- Press the **Cycle selector** to select cycle designed for different types of fabric and soil levels.
- Each cycle has a preset Water Temperature, Spin Speed, Soil Level, and Option (See page 13).
- The preset settings can be changed anytime before Start.

NOTE: This front load washer requires longer cycle time and gets clothes much cleaner, yet is more gentle on the fabrics, than top load washers. Washing time can be reduced significantly for small loads or lightly soiled loads by selecting Quick Cycle with the Option button and setting the Soil Level button at Light.

3. Start/Pause

- Use this button to **start/stop** the washer.

4. Wash/Rinse Temperature

- Select a water temperature based on the type of load you are washing.
- Follow the fabric care label and chart below for best results.

Suggested Wash Temp.	Garment
Hot 122°F (50°C)	Whites and Heavy soiled color-fast items
Warm 104°F (40°C)	Most loads
Cold 77°F (25°C)	Brightly colored items, washable woolsens

- Warm rinses leave the loads dryer than cold rinses. Warm rinses increase wrinkling.
- In cold climates, a warm rinse makes the load more comfortable to handle.
- Cold rinses save energy.
- The Cold rinse temperatures depend on the cold water at your faucet.
- Warm rinses are regulated at approximately 86°F (30°C).
- For the Tap Cold/Cold setting, both wash and rinse temperatures depend on the cold water at your faucet.

5. Spin speed

- To change the spin speed, press the **Spin Speed** button repeatedly to cycle through available options.
- To start Drain/Spin cycle:
 1. Press **Power** button to turn on.
 2. Press **Spin Speed** button only.
 3. Press **Start/Pause** button.

Lg Tromm Washer Cleaning Instructions

J Elliott

Lg Tromm Washer Cleaning Instructions:

Laundry Wisdom Carin Froehlich, 2010 Finally a book that presents the facts dispels the myths and shows you how to be green without having to compromise yourself and your home The first book of its kind this is a book just about the ins and outs of laundry Carin began to research a greener way of life not for profit or for business gain but to incorporate it with her most prized job being a mother grandmother and wife She explores the meaning of green the fads and the facts so that anyone can easily make their own decisions about what to do This book is filled with tips and stories that will give you and your family a new perspective on that never ending chore called laundry Her biggest fear is that traditional washing and drying will become obsolete replaced by overpriced appliances and thoughtless damaging laundry products She has added laundry to the American Experience with an alcove of rich stories about generations of laundry and love that she has collected on her journey to reconnect with Mother Nature Love laundry or hate laundry this collection of short stories will present you with endless reasons to make laundry a part of your life and how
