In Motion Tony Hiss,2017-10-18 In this extraordinarily wide ranging insightful and revelatory book Tony Hiss is the much praised author of *The Experience of Places* delves into a unique and instantly recognizable though previously undescribed experience that can happen to us when we travel a special understanding and ability that can leave us feeling exhilarated He illustrates how throughout human history from our ancestors walking upright for the first time to astronauts walking on the moon we have repeatedly availed ourselves of this seemingly elusive quality which he calls Deep Travel The sensation of Deep Travel can overtake us Hiss says whenever we tap into a sophisticated wide awake awareness we all possess With a wealth of examples from evocative accounts of his own journeys to celebrated travel writing across the centuries Hiss identifies and rescues this powerful capacity and sets out simple techniques for accessing it no matter where we are And this is only a jumping off point for an original and penetrating explanation of how Deep Travel radically alters our perception of not only where we are but also when we are by placing us in an extended present and how it acts as an open sesame to enlarge and enrich the world around us Going even further he investigates how we can remain absolutely still but travel in time itself as our horizons move backward to include layers of

nature and human culture that have gone before or project us forward to consider what our actions will mean to those who will inhabit our spot on earth a few generations from now Whether travel takes you around the corner or around the world once you ve read *In Motion* no journey will ever feel the same *Church Doctrine - Book 1* Trauear,2019 By church doctrine I mean a teaching that helps us realize ourselves as fulfilled human beings in community with one another and with the god who is merciful love No attempt is made to tie in with traditional religions nor with any particular church described or critiqued Personal experience of god as father as Messiah as Jesus constitutes the backbone of what is subsequently fitted out with revealed knowledge and understanding Mysteries are touched on there are many explanations and clarifications much is updated and restated in contemporary language exercises and practices and their benefits are laid out in detail The writer delivers himself of no abstractions but only shows what has worked and still does work for him along the resurrection path to the kingdom of heaven and eternal life and thereafter the ongoing work in the interest of endless world creation and community building *Songs in Motion* Yonatan Malin,2010 This is an exploratopn of rhythm and meter in the 19th century German Lied including songs for voice and piano by Fanny Hensel n e Mendelssohn Franz Schubert Robert Schumann Johannes Brahms and Hugo Wolf The Lied as a genre is characterised especially by the fusion of poetry and music
