ways of saying you might not be familiar with Even if speaking French in 7 days may seem like an impossible feat when you ve never spoken French before the methodology used in these books will prove you otherwise And the good thing is that it is not hard as the books take an easy to follow beginner friendly style to help you put what you learn into action Click Buy Now With 1 Click or Buy Now to find out how **Learn French for Beginners** DuPont Language Institute,2019-11-12 Do you want to learn French Language but you don t know where to start from Are you confused by the number of different books available on the market Search no further read below and you will find why this is the book for you You have probably heard that learning your first foreign language is always the hardest and that each subsequent language is easier than the last The reason is related to the fact the fact that experienced language learners discover how to learn a language Through trial and error learning one language after the next it becomes apparent what is effective for the learner and just as importantly what is not effective for them Notice the two little words at the end of the last sentence for them When we talk about what is effective in language learning it may be a cliché but it is absolutely true to say that every person is different and learns languages in different ways and this goes for every aspect of the learning process The only way to become a successful language learner is to discover what works for you one step at a time Having said that it can help to take inspiration from others who have successfully learned languages and there exists a certain amount of best practice in language learning which can help you get off to a good start and avoid common mistakes As such in this book we will give some of the language learning advice that has worked best for our students in the past To the extent that this advice provides a model to follow as you begin to discover your own learning style it should prove useful This book will focus on the following French Alphabet and Pronunciation General Greetings Numbers What s today s date Seasons Color and Shapes Family and Animals Gender and Articles Nouns and Pronouns Adjectives Adverbs Conjunctions and Prepositions The present tense in French Past and Future Tenses The Imperative and subjunctive mood and passive voice Conversational Necessities Get to know each other Eating drinking and visiting Creating a Simple Learning Plan Five Things to Get Right as a Beginner AND MORE French is one of the most widely spoken languages in the world and one of the most appreciated However many people find it difficult to master this language even at basic levels This book will help you overcome all of this What are you waiting for Grab a copy now and start your journey of learning such an important language that will open a whole new world of travel and acquaintances for you **Learn French for Beginners** DuPont Language Institute,2020-03-12 You Are Just 1 Click Away From Discovering How You Can Learn To Speak French In As Little As 7 Days Even If You ve Never Spoken It Before Boasting an estimate of 235 million speakers 85 million of them being native speakers French is the official language in 29 countries and an important business language I Europe North Africa Canada and many rapidly emerging markets Therefore it makes sense to want to learn it to use it for both business and personal interactions So where do you start How do you speak French without sounding like a Google translator Can you know how to construct logical sentences and phrases in

French and probably speak it like the natives even if you've never spoken French before. How can you read and write in French without using a translation tool which often messes up meaning? How can you start using French in everyday conversations without sounding off? If you are passionate about learning French and have these and other related questions, this book is for you, so keep reading as it covers powerful strategies that will get you reading and speaking French in as little as 7 days. It takes the fluff out of the learning process and goes straight to the point, covering the specific things that you actually should learn and master if you are to stand any chance of reading, understanding, writing, and speaking French. More precisely, the book covers French grammar so you know exactly how to construct proper sentences in French. How to use articles and adjectives in French. How to effectively use prepositions in French properly to ensure your statements make sense. How to use pronouns and verbs correctly in French to help you write and speak coherent sentences or statements. How to use numbers in French without sounding like a two-year-old. How to put it all together with words and/or phrases that you can use in everyday places like in hotels, schools, while traveling, when meeting new people, and in many other everyday situations. And much more. Even if speaking French in 7 days may seem like an impossible feat when you've never spoken French before, the methodology used in this book will prove you otherwise.
