Report Cards Wade H. Morris, 2023-09-26 This book tells the story of American education by examining this unique element of student life The author shows the evolution of how teachers students parents and administrators responded to report cards Report cards he shows were more than just a means by which a school documented each student s deportment academic standing and attendance They were a tool of control a microcosm for the changing power dynamics between teachers parents and students

The Best of Times Mark Field, 2016-05-19 Tensions simmer in the aftermath of 2008 s catastrophic financial crash As the darkest days of the crisis fade behind us great obstacles to prosperity remain Mark Field s acclaimed first book *Between the Crashes* explored the economic collapse Now in his new collection of essays the City of London MP charts our progress as the economy splutters back to life untangling the rhetoric of deficit reduction from reality and meaningful reform from political posture *The Best of Times* traces the compromises of coalition government and the emergence of a new anti establishment sentiment taking in the Scottish independence referendum UKIP s rise and fall and the unexpected genesis of Corbynism Conflicts in the Middle East open a dark chapter in foreign affairs while closer to home a shock Conservative victory in the 2015 general election ensures a hotly debated EU referendum Yet for all the surprises delivered by the past three years today s challenges are deeply familiar shifting global power generational wars and disillusionment with capitalism still threaten our prosperity Engaging and unflinching *The Best of Times* offers erudite analysis and practical solutions to the challenges facing Britain today

The Professional Standards of Executive Remuneration Consultants Calvin Jackson, 2023-05-01 Love them or hate them executive remuneration consultants are key players in remuneration committees pay determination processes This book concerns the professional standards of executive remuneration consultants and their in house counterparts for example Human Resources Director and Head of Reward in providing remuneration committee advisory services The author is a 25 year veteran executive remuneration consultant having worked around the world in this capacity particularly in the financial services sector This book is based on a qualitative empirical doctoral research exercise involving 53 participants in the UK executive pay scene including regulators institutional shareholder bodies proxy advisors remuneration committees chairs members executive remuneration consultants and in house executive reward specialists The objective was to formulate conclusions that could be used to the benefit of UK practice and contribute to the relevant academic scholarship on executive remuneration consultants The research covered 18 aspects ranging from an examination of the independence of such consultants to whether there might be a specialised accreditation qualification and or licence to practise regime covering their services It provides novel insights into this previously under researched area of corporate governance financial regulation This book will be of interest to those involved in the UK executive remuneration scene whether government regulators or any of the other parties mentioned already plus academics in universities and business schools It is hoped too that overseas remuneration regimes that have

William Hogeland, 2024-05-28 William Hogeland is the best guide I have found to understanding how we today are for good and evil children of Alexander J Bradford DeLong professor of economics at the University of California Berkeley and author of Slouching Towards Utopia How Alexander Hamilton embraced American oligarchy to jumpstart American prosperity Forgotten founder no more Alexander Hamilton has become a global celebrity Millions know his name Millions imagine knowing the man But what did he really want for the country What risks did he run in pursuing those vaulting ambitions Who tried to stop him How did they fight It s ironic that the Hamilton revival has obscured the man s most dramatic battles and hardest won achievements as well as downplaying unsettling aspects of his legacy Thrilling to the romance of becoming the one man inventor of a modern nation our first Treasury secretary fostered growth by engineering an ingenious dynamo banking public debt manufacturing for concentrating national wealth in the hands of a government connected elite Seeking American prosperity he built American oligarchy Hence his animus and mutual sense of betrayal with Jefferson and Madison and his career long fight to suppress a rowdy egalitarian movement little remembered today the eighteenth century white working class Marshaling an idiosyncratic cast of insiders and outsiders vividly dramatizing backroom intrigues and literal street fights and sharply dissenting from recent biographies William Hogeland s The Hamilton Scheme brings to life Hamilton s vision and the hard knock struggles over democracy wealth and the meaning of America that drove the nation s creation and hold enduring significance today
