

A background image showing two hands holding a broken glass bottle against a sunset sky. The bottle is shattered, with sharp edges visible. The hands are silhouetted against the bright, low sun, which creates a strong lens flare effect. The overall mood is one of destruction or rejection, likely symbolizing the rejection of alcohol.

What Does The Bible Say About Drinking Alcohol?

From Alcohol To God

Yordan Kalev Zhekov

From Alcohol To God:

God Is For The Alcoholic Jerry Dunn, 2009-06-01 I am an alcoholic I know what it is like to burn with a desire to drink that is so overpowering that family jobs and friends mean nothing compared to the desire for liquor I know what it is like to wake up on a hotel room not knowing where I am or how I got there I also know the joy of complete deliverance from the power of alcohol addiction and never cease to praise God for such deliverance Author Jerry Dunn discovered there is indeed hope for the alcoholic God provided his escape when he picked up a Bible in a Texas prison God Is for the Alcoholic is the product of that escape Jerry Dunn knows the road up from alcoholism is long and difficult but that it can be followed with God's help and through commitment patience and diligence In this revised edition of God Is for the Alcoholic the reader will find sections on understanding alcoholism ways to help the alcoholic and ways the alcoholic can help his or her self Discover release from the power of alcoholism *Conscience in Recovery from Alcohol Addiction* Yordan Kalev Zhekov, 2013-02-01

Academic research in alcohol addiction presents diverse results and subject inadequacies This study identifies conscience and its influence through spirituality on successful recovery as promoting unity and adequacy in the field The purpose of the study is to analyze the relationship between conscience spirituality and recovery from alcohol addiction This threefold framework underlines the conceptual importance of cognition affect behavior spirituality and character in addiction studies Narrative analysis NA is employed for designing the present research It is utilized for collection examination and formulation of the results derived from the participants stories Semi structured interviews are used within the NA framework to provide the data from the twelve participants The latter are selected as a homogeneous group based on characteristics of their addiction spirituality and recovery The analysis of narratives defines conscience with its cognitive emotive and conative elements as related to spirituality The conscience's nature and functioning undergo deterioration during addiction and complete rejuvenation through participants spiritual transformation of a transcendent divine experience Spiritually empowered conscience supports progressive recovery from alcohol addiction The conscientious approach to self life and others is shaped by virtue and spiritual commitment **An Alcoholic's Perspective on God's Grace and Mercy** Nathan Reed, 2024-07-09 A self help and spiritual book that can motivate anyone suffering from alcohol and or drug addiction

From Alcohol To God Catherine Findlay, 2018-05-23 I write poetry to give God the glory for saving me from alcohol and in the words relay my story in the hope it encourages other addicts and also inspires people to keep pushing through their troubles **Alcohol Was My God** Dennis D., 2025-03-25 Something big happened in the life of Dennis Dempsey when he

was in his early twenties Now fifty years later he tells his story with a disarming degree of honesty Alcohol Was My God narrates how a young man with a terrible drinking problem got sober and over time became a professor of theology Alcoholics Anonymous put him in touch with a spirituality that served as the spark plug that restarted his Catholic engine The Catholic Church opened up a path that blended spirituality and religion as two sides of the same coin uncovering the

treasures of a tradition that spans many centuries This book offers a unique blend of personal witness and academic analysis by an author who lives recovery as he researches and writes about Catholic theology *God's Design for the Highly Healthy Child* Walter L. Larimore,2004 Written by a trusted family physician this indispensable guide equips parents to assess their children s health physically emotionally relationally and spiritually and then to create a practical and realistic plan to improve and nurture their children to become highly healthy **Grape Juice in the Bible: God's Blessing for His People!**

Richard Teachout,2011-09-07 Grape Juice in the Bible presents a strong case for the fact that Israel in Bible times had fresh grape juice as a healthy beverage It also shows God s disapproval of alcoholic beverages for His people and details the great change in the approval of alcohol among Christians through the last 200 years in America The reason for this book is clearly presented by a recent blog aletheiabaptistministries.org It would be an uphill battle merely to advocate moderation in drinking as many conservatives do but to come to a conclusion that total abstinence is a Biblical mandate would place one immediately in the backwater of Christian social fellowships But that is just the conclusion I ve come to not just because I find it the overwhelming norm of Christian history or because the statistics on drinking grow increasingly alarming but because I ve become convinced that this is the only consistent biblical teaching **God's Universe, God's Rules** Jerry

Mitchell,2018-01-11 Do you think the Bible is hard to understand Maybe you have been told there are contradictions in the Bible that can t be explained or you have never found an answer to your questions that really satisfied your curiosity This may be exactly what you have been looking for Learn how to make the Bible easy to understand cut through the contradictions and discover the answers to your questions Dig through the language the culture and the history to free yourself from the traps that have held you prisoner and kept you from learning the truth Explore the Bible as many never have using it to define itself and allowing the word of our Creator to speak clearly without being twisted out of context for our convenience Experience how to live the way God created you to live and maintain the authority of our Creator and His word **Addiction—God'S Healing** Duly Noted,2018-02-21 I was just your run of the mill alcoholic who God saw fit to rescue For close to forty years I struggled with addiction and as time went on it always got worse quicker and got more intense after any period of clean time It was not until this unprofessional writer put God like I never had him before in my life and also after a proven twelve step program that I was able to get and stay sober one day at a time I was bankrupt in all ways financially emotionally mentally at times I couldn't remember my name and almost spiritually I turned a perfectly good life into a perfect mess by choice Why I ended up at a few homeless shelters Family and friends were asking begging me to get out of my hometown Buffalo New York because I was going to die as the whole city turned into a people places and things place that people are warned about in recovery Today I tell God people at recovery meetings family and friends I have the best life of anybody I know and I believe it God gets and deserves all the glory all the honor and all the praise that my family and friends give to me God blessed me with one grandchild daughter and another one on the way At recovery meetings they

say Rarely have we seen a person fail who has thoroughly followed our path That is so true According to Matthew 6 33 Seek first the kingdom of God and His righteousness and all these things will be added onto you Thank you God bless you Glenn
