7 - 11 H. Russell Eastman,2019-01-04 After retiring I had time to reflect on the many incidents that had taken place with no explanations I began to realize that a greater power had guided me Almost every day incidents were taking place where items were exactly in front of me before I started looking for them A particular incident happened at a fire department call when I assembled a suction hose unit for pumping out a flooded cellar A line officer asked how I was able to complete the assembly with the suction pan Various firemen had struggled in the past for a long time in the past trying to remove the fitting as they had no tools large to separate a 6 inch pipe fitting I related that I had spun it apart with my bare hands No one on the fire squad believed that I had done that Another incident occurred when I had a dream on July eleventh I had dropped a handful of notes on the floor Someone was helping me to pick them up As I reached for them my hand went right through the paper notes as I heard a voice said Russell we have a lot of work to do Many life situations for me have taken place that I am certain were done by Divine guidance Many things were too numerous to be by chance alone I had completed building a cherry dresser and entered it at The New York State Fair as a handicapped citizen Michael Yeoman submitted an article about this asking me about my woodworking I had an unfortunate incident and decided to hang up my tools and write a book The first book From Good Luck Farm was published in March 2015 **From Good Luck Farm** H.
