How Much Does It Cost To Publish Your Own Book:

How to Publish Your Own Book Stewart Ferris, 2006-08-08 When you've written a book you want to see it in print. You want people to read and enjoy it. The only thing standing in your way is the publishing industry which rejects 98 per cent of the manuscripts submitted to it. Why not skip months of collecting rejection slips and simply join them at their own game? Anyone can publish their own book and the cost can be as little as zero. In this easy to use guide Stewart Ferris explains everything you need to know to be able to convert your manuscript into a printed book and to get that book selling in the shops or to sell it online as an eBook. Stewart created the UK's first self-publishing agency in 1993 with his business partner Alastair Williams offering authors all the services and advice they needed to publish and sell their own books. **Publish**

Your Own Book (and Pocket the Profits) Jacquelyn Peake, 2000-12 This is an easy to read volume that shows just how any writer can become the published author of his or her own book. Using information from her own experiences the author of *Publish Your Own Book* shows the reader how to copyright a book and get the Library of Congress number, work with a printer, choose an eye-catching cover, determine a profitable cover price, get free publicity, promote the book on radio and television, work with a co-author if desired, get the book reviewed in major newspapers, sell through the mail, sell through distributors and much more. Getting a book accepted and published today by one of the major publishing houses is difficult and for many excellent writers nearly impossible. For that reason hundreds of authors are choosing to self-publish their own books. This book shows how to do just that. *Publish Your Book* Patricia Fry, 2012-02-01 *Publish Your Book Proven Strategies and Resources for the Enterprising Author* is a professional guide to publishing success for the new and struggling author. to the registered authors publishers Note The operating processes and eligibility requirements of these organizations vary from country to country Publish Your Book Graham Cook, WRITERSWORLD A leading book publisher in self publishing print on demand books and book reprints in the UK that also issues the ISBN in the author s name pays the author 100% of the royalties and supplies the author with copies of their books at print cost www.writersworld.co.uk
