

In the upper area you will find information about the menu level and the symbol for opening the settings.

The middle section lists all almando devices available in the network. To play music from a specific device or to configure this device, select it and it will be highlighted in orange.

In delivery state the device name consists of the word almando followed by a part of the MAC address. Of course you can define the device name yourself during configuration, for example living room.

With the icons in the tab bar below you can access the other areas of the app.
