Education and climate change Samantha Govender, Mncedisi C Maphalala, Dumisani W. Mncube, 2025-06-15 The book highlights the critical yet often overlooked role of education in combating climate change It advocates for a transformative educational framework that integrates social emotional learning and interdisciplinary collaboration Traditional education which focuses solely on factual knowledge is deemed insufficient Instead education should foster empathy provide hands on experiences and encourage active engagement in climate solutions The book outlines various ways education can drive climate action such as raising awareness preparing individuals for green jobs empowering communities and fostering innovation in higher education It highlights the interconnectedness of climate change and education particularly for marginalised populations showing how quality education can enhance both mitigation and adaptation strategies while supporting Sustainable Development Goal SDG 4 and SDG 13 Key chapters discuss successful initiatives such as the Keep it Cool Climate Change Education KIC CCE project in South Africa and offer strategies for integrating climate change education into subjects like Natural Sciences and Geography Ultimately the book positions education as a strategic tool for promoting sustainable development and building climate resilience New research findings presented in the book connect education to climate change highlighting education as both a tool to address climate issues and a domain affected by these issues The book integrates empirical evidence innovative theories and practical examples to ensure intellectual integrity and academic rigour It introduces a unique framework that emphasises social emotional learning action oriented teaching and interdisciplinary collaboration Case studies such as the KIC CCE initiative in South Africa illustrate these concepts The book critiques traditional models and advocates for transformative approaches to climate education aligning with SDG 4 Quality Education and SDG 13 Climate Action It also highlights the significance of teacher preparedness community empowerment gender equality and innovation providing valuable insights for scholars policymakers and practitioners addressing the climate crisis **The Cabaret of**

Plants Richard Mabey, 2015-10-22 In *The Cabaret of Plants* Mabey explores the plant species which have challenged our imaginations awoken our wonder and upturned our ideas about history science beauty and belief Picked from every walk of life they encompass crops weeds medicines religious gathering places and a water lily named after a queen Beginning with pagan cults and creation myths the cultural significance of plants has burst upwards sprouting into forms as diverse as the panacea the cure all plant ginseng a single root of which can cost up to 10 000 Newton s apple the African vegetable elephant or baobab and the mystical night flowering Amazonian cactus the moonflower Ranging widely across science art and cultural history poetry and personal experience Mabey puts plants centre stage and reveals a true botanical cabaret a world of tricksters shape shifters and inspired problem solvers as well as an enthralled audience of romantics eccentric amateur scientists and transgressive artists *The Cabaret of Plants* celebrates the idea that plants are not simply the furniture of the planet but vital inventive individual beings worthy of respect and that to understand this may be the best way of preserving life together on Earth

Secrecy and Responsibility in the Era of an Epidemic Hanne Overgaard Mogensen, 2020-07-29 A narrative ethnography about a Ugandan woman and her relatives this novelistic fine grained volume shows how global questions of responsibility and inequity travel in family networks and confront people with decisions about life and death It is a story of existence under extremely challenging conditions about belonging and marginalization about the opacity and ambiguity of social relations and about growing up in a country haunted by violence and civil war only to be later lifted by optimism and devastated anew by the AIDS epidemic The story draws on long term fieldwork and letters from the woman who takes centre stage in the story while at once providing unique and privileged insight into the ethical challenges of a research method that demands personal involvement that is ultimately withdrawn for scholarly analysis

Missionary Masculinity, 1870-1930 Kristin Fjelde Tjelle, 2014-01-21 What kind of men were missionaries What kind of masculinity did they represent in ideology as well as in practice Presupposing masculinity to be a cluster of cultural ideas and social practices that change over time and space and not a stable entity with a natural inherent meaning Kristin Fjelde Tjelle seeks to answer such questions

Political Science in Africa, 2023-12-28 Bringing together African and international scholars this book gives an account of the present state of the discipline of political science in Africa generating insights into its present and future trajectories and assessing the freedom with which it is practiced Tackling subjects including the decolonization of the discipline political scientists as public intellectuals and the teaching of political science this diverse range of perspectives paints a detailed picture of the impact and relevance of the political science discipline on the continent during the struggles for democratization and the influence it continues to exert today
