

Jaguar S Type Audio Manual

Nigel Thorley

Jaguar S Type Audio Manual:

The Complete Book of Jaguar Nigel Thorley, 2019-09-17 In 1935 when a small company in Coventry England launched a sporting saloon i.e. sedan called the Jaguar SS it set in motion an inexorable process that would lead to Britain's most beloved line of high performance automobiles The Complete Book of Jaguar covers the SS and all of the Jaguar's subsequent production models from the original SS Jaguar to today's F Type sports cars F Pace SUV X Type sedans as well as concept cars As with other books in the Complete Book Series author Nigel Thorley organizes the content chronologically with entries for each year Narratives for each discuss the cars and technology while spec tables highlight key technical and performance specifications Originally begun by a couple of motorcycle enthusiasts William Lyons and William Walmsley as a firm called the Swallow Sidecar Company Jaguar would become one of the world's most celebrated automakers In England's bleak postwar years Jaguar became a shining star first with its XK120 followed by the XK140 and XK150 Sporting sedans like the Mark 2 and Mark X set the bar for luxury four door transport in the 50s and 60s Then Jaguar stunned the world with the achingly beautiful E Type in 1961 a genuine 150 mph super sports car Along the way the company competed on road courses around the world going head to head with greats like Ferrari and Aston Martin Though Jaguar lost its way periodically in the modern era it has bounded back stronger than ever in the twenty first century with a strong lineup including the new F Type sports car and F Pace SUV The Complete Book of Jaguar is the essential guide to this important chapter in the history of sports and luxury automobiles
