*Financially Smart Career Planning For Teens* P. D. Mason, 2023-06-05 Plan for your dream career and take control of your future without going into debt Are you a High School or Secondary School student worried about upcoming college and career planning decisions Are you at that point in your life where you have to make a choice about your future Have you been told repeatedly that going to college is the only way to ensure career success Have all those student loan horror stories made you wary of going into debt for an education Graduating from high school should be an exciting time You re finally done with this chapter in your life and are ready to take on new and more challenging opportunities as you move toward adulthood and independence But it s also a time when you feel the pressure to make a decision pick a major choose a school figure out your career path With so many options to choose from this can be a paralyzing process Choosing one option may mean you re closing the door to better ones What if you make the wrong choice Even more with the cost of college tuition averaging tens of thousands of dollars it may seem like you re doomed to start your career already burdened by student debt Student debt is not only a financial burden you could be carrying around for the next 10 to 20 years It could also impede major life decisions and negatively affect your mental health and overall quality of life But the good news is a college degree and student debt aren t your only options You can still get access to valuable training and practical experience that will set you up for a flourishing career without having to enter your working life in Major College Debt It s all in this information packed handbook filled with practical advice and information from an expert who chose an alternative educational path and found

great success and security Here s just a fraction of what you ll discover from this book Everything you need to know about the education path that is just as good as traditional college or even better but no one seems to talk about it Questions you should be asking yourself and prospective employers to figure out the career that s best for you Why you should be thinking of retirement as early as now and what that has to do with your career plans The art of job shadowing gain an insight into the inner workings of a job that you won t get through research alone A deeper look into the costs of education so you have an idea of what expenses to expect beyond tuition fees The traditional vs an alternative route an in depth comparison of college and vocational school including the training and career opportunities each provides In demand and lucrative jobs that don t require a college degree you could be earning great yearly income sooner and you won t have to rack up student debt Expert information tailored for young adult students in the US UK and Canada And so much more Figuring out what you want to do after high school is one of the biggest and scariest decisions you ll ever have to make but with the right information you can take control of your future and make these important decisions with greater confidence Forge your own path in life and don t let anything or anyone stop you from creating the future you want for yourself The first step to your success story starts today Start thinking about your future today Scroll up and click Add to Cart right now **MY JOB Gen Z** Suzanne

Skees,Sanam Yusuf,2021-04-16 Nonfiction business career studies sociology of work real life vignettes of young people at work along with how tos for job hunting and career building MY JOB Gen Z provides hope and help to young adults launching careers during a pandemic and recession defines the unique qualities of Generation Z based on field research and our survey profiles ordinary and famous Gen Zers striving toward and succeeding in their dream jobs and offers resources on how to identify your skills apply for internships and jobs negotiate terms and salary work remotely and forge ahead with your dream job in a fast changing world MY JOB Gen Z written by and for Generation Z born in and after 1995 combines research into the unique experiences and qualities of this rising generation with the results of our own global survey We compare what the data say about Gen Z with who YOU say you are including an array of real life profiles of ordinary Gen Zers how they feel about work what they want most from their careers and the challenges they encounter along the way We spotlight famous Gen Zers who ve already had impact on society built companies and made millions and reveal what drives them to succeed Then we guide you through best practices for creating your own resume and professional profile applying for internships and jobs conducting online and in person interviews discerning your valuable skillset and pursuing your own dream job The real life examples and pragmatic advice offered in MY JOB Gen Z will convince you that you are not alone in an often challenging and isolating world It will leave you inspired by your peers doing amazing things and motivated to pursue your own dream job Book Review 1 A collection of intimate interviews with people regarding the personal familial cultural and geographic factors in their working lives Inspired by Studs Terkel s Working 1974 which profiled ordinary American workers editor Skees God Among the Shakers 1998 takes the concept global Six of her 16 subjects live in the United States including a slack

key guitarist in Honolulu an architect in Cincinnati and a recruiter headhunter in Tampa Florida The rest are on other continents including a coffee farmer in Nicaragua a Masai warrior in Tanzania a married couple running an eco friendly factory in India a rickshaw puller in Bangladesh and a private equity manager in Hong Kong Skees organizes the material into five sections Entrepreneurship Industry and Transportation Farming Food and Animals Finance and Technology and Music an environmental activist in American coal country a banana farmer in Uganda a college admissions counselor in Rwanda and a fringe diplomat in Tel Aviv Few books dig so deeply into life as it s actually lived with such unsparing intimacy Prose Skees s own prose is sharp clear and purposeful but outside of introductions and some notes most of the book come straight from the mouths of her subjects through first person monologue Skees breaks the chapters up into short labeled sections This is helpful for skimmers but the shortness of the individual sections gives the chapters a stop and start feeling impeding narrative momentum Originality This isn t the first book to survey workers in their own words about work nor even the first one by Skees to do so but the author has selected a fresh fascinating cross section of people to reveal truths about the world and this current moment Execution The book offers insights wisdom challenges to orthodox thinking and some arresting first person storytelling It s both eye opening and a pleasure to learn about the day to day work of a Zambian mobile money agent and to discover how that work is vital to a population outside of the banking system That said the narrators individual voices sound somewhat similar to each other and the speakers too rarely offer up surprising or engaging anecdotes The emphasis here is strongly on the work itself and the sociopolitical context that created the opportunity for such work There s great value in capturing that but the book might prove more enticing for general audiences with a greater emphasis on voice and storytelling Booklife Publisher s Weekly      **The Complete Idiot's Guide to Cool Jobs for Teens**
