ReWRITING the Basics Anne Haas Dyson, 2013 What are the real basics of writing how should they be taught and what do they look like in children's worlds In her new book Anne Haas Dyson shows how highly scripted writing curricula and regimented class routines work against young children's natural social learning processes Readers will have a front row seat in Mrs Bee's kindergarten and Mrs Kay's 1st grade class where these dedicated teachers taught writing basics in schools serving predominately low income children of color The children it turns out had their own expectations for one another's
