Life Without A Father Fathering A Fatherless Generation:

Life Without Father David Popenoe, 1996 The author of *Disturbing the Nest* Family Change and Decline in Modern Society reveals how the disintegration of the child centered two parent family and the weakening commitment of fathers to their children that usually follows are a central cause of many of America's worst individual and social problems *Life Without a Father* Ansy Dessources, 2014-12-12 America has never had a generation where the Father has been absent from the lives of children as it does today *Life without a Father* addresses the real issues we face in this crisis and gives sound biblical solution on how to approach this ever growing issue Dr Ansy Dessources gives his real life experience and pastoral insight in this informative and authentic writing *Life without a Father* will change the way you see this fatherless generation forever

A Message to a Fatherless Generation Shafeeq Ameen PhD, 2020-07-08 With the devastating impact of absent fathers in the lives of their sons Shafeeq Ameen takes a compelling look at the pathology of violent young men who are disrespectful of women and authority figures and juxtapose those images with a generation of fragile individuals desperate to reconnect with a missing part of themselves After thirty years in the classroom witnessing first hand the destructive consequences of absent fathers in the lives of their sons *A Message to a Fatherless Generation* addresses this issues head on and gives researched based solutions along with real life scenarios to help shine a spotlight on a problem that is destroying the lives of young men who will always feel a sense of loss and insecurity without having an involved father back in their lives **Taken Into Custody** Stephen Baskerville, 2007-09-01 *Taken into Custody* exposes the greatest and most destructive civil rights abuse in America today Family courts and Soviet style bureaucracies trample basic civil liberties entering homes uninvited and taking away people's children at will then throwing the parents into jail without any form of due process much less a trial No parent no child no family in America is safe The legal industry does not want you to hear this story Radical feminists bar associations and social work bureaucracies have colluded to suppress this information Even pro family groups and civil libertarians look the other way Yet it is a reality for tens of millions of Americans who are our neighbors **Fatherhood University** Dr. Sarel van der Merwe, 2024-03-10 The apostolic movement of this season is a fathering movement restoring not only fathers to their families and spiritual sons to ABBA Father but ultimately restoring spiritual fathers to His God's Church The Kingdom of God is a Family where the King is also our Daddy ABBA Father *From Panthers to Promise Keepers* Judith Lowder Newton, 2005 *From Panthers to Promise Keepers* draws on intimate observations of the men and networks who were involved in what some have called *Othe menOs movementO* and tells us why these networks mattered Focusing on the decades between 1950 and 2000 it argues that while public structural change is necessary for gender equality getting men involved in efforts at social justice may well depend on their making changes with respect to feelings and with respect to their unconscious fears and anxieties as well **Manhood** Josh Hawley, 2023-05-16 The American Founders believed that a republic depends on certain masculine virtues Senator Josh Hawley thinks they were right In a bold

new book he calls on American men to stand up and embrace their God given responsibility as husbands fathers and citizens

The Other Side of Communication Jean Vautoir Paul, 2022-06-01 I Jean Vautoir Paul was born in Jérémie Haiti My mother two sisters and I went to Port au Prince the capital of Haiti on the invitation of our aunt Edele She introduced us to Ms Eleanor Louise Snare a white American lady who adopted our orphan cousin Jean Fanes Snare who really needed a mom or a dad at that time She raised us as a big happy family Those three women had inculcated in us the best moral principles ever Ms Snare couldn't afford to send us to college so with only my high school diploma I went to teach English After a few years I was blessed to run my own English school One Way English School in Thomassin 25 In 1999 I left for Philadelphia and in 2014 left for Florida and settled here since I always dreamed to make a difference in other people's lives Therefore on a day by day basis I do my research so I can become a professional writer to bring change hope love understanding wisdom compassion and respect in the lives of so many who need and deserve it Hopefully my books do just that so I can form better people children societies and families for a better world I take pleasure in writing It's my life Read my books and get addicted to do the right thing

The Affirmation Crisis Randy Hix, 2018-08-28 There is an Affirmation Crisis It is the result of fatherlessness Generations have grown up without a father Whether physically or emotionally absent it leaves in the child a wound of absence Fatherlessness has become a major social problem in America even an epidemic with approximately 50% of children under the age of 18 not living in the same home as their biological father It has been documented in many ways and yet it is a secret hidden in plain view Over the last fifty years the family has been under attack Concepts and opinions concerning the family have changed and a new perception of family has emerged Much of the destruction of the family has been popularized and normalized through the media and arts and entertainment The large percentage of marriages that end in divorce and the increasing trend of out of wedlock births seems to have contributed to a widespread belief that being a single parent is somehow a noble venture and that the father is unimportant to raising children There are indeed many exceptional single parents But these are the exceptions to the rule as statistics prove It is as if there were a systematic scheme in the works to destroy our society by using progressive cultural engineering The influence of popular approaches to the family in the media that rejects traditional and biblical norms of family construction is creating a confused depressed and fractured population Men and women with a confused self identity and self confidence are the product of this fatherlessness epidemic and this affirmation crisis Today after over a hundred years of cultural fatherlessness we have seen multiple generations who have grown up without the father's emotional and often physical influence and support Combine that with two world wars economic challenges media influence rising divorce rates sexual identity conflict and you are left with a generation of wandering fatherless children Many of these fatherless children are wounded adults who continue to live their lives not knowing that they are suffering from the wound of absence referred to as the father wound The father wound in short is the absence of the emotional blessing that only the father can provide to the child One of the major responsibilities of

the father is the modeling and impartation of true fatherhood A father is the God given instrument that identifies the child as well as gives the child a sense of self and self confidence This is true for both men and women Every young man is waiting for his father to tell him he has what it takes Every young woman is waiting for a father to show her that she is beautiful and worthy to be pursued and protected Every young man looks to his father for affirmation and identity Every young girl is looking to the father for her identity and affirmation as a woman The father identifies the child The father calls forth the masculine in the son and the femininity of the daughter Without this essential input from Dad the boy struggles to see himself as a man and the girl struggles to identify as a woman Their spirit cries out for a father to save them Our fathers have a special role to play in our discovery of who we are in life This is why a father telling his child a statement like You ll never amount to anything has such a devastating effect On the other hand a father who lovingly affirms his child is giving him a solid foundation towards developing into a healthy well adjusted adult In The Affirmation Crisis Pastor Teacher and Missionary Randy Hix details the serious impact this fatherlessness epidemic is having on our society and individuals Randy explains our Heavenly Father s original plan for the family and how to receive the needed affirmation and healing needed to mend the wounded heart
