

Exercise 6

- 15** A new sports centre has recently opened in your town. Last week, you went there with a group of your friends. You have decided to write a review of the sports centre for your school magazine.

Here are some comments from your friends:

*I wasn't impressed by
the food in the café.*

The staff gave us a
really good tour of the
sports centre.

There were some problems
with the changing rooms.

I liked the choice
of activities and
classes.

Write a review for your school magazine, giving your opinion.

The comments above may give you some ideas, and you can also use some ideas of your own.

Your review should be between 100 and 150 words long.

You will receive up to 6 marks for the content of your review, and up to 6 marks for the language used.

Mabel Ann Brown, 2017-08-15 *The Shifting Global World of Youth and Education* explores how increasing migration and population changes are having an unprecedented impact on global education. Given that the number of children of migrant background is growing internationally, there is a need for increasing awareness of the educational attainment and cultural integration of this population group. This book presents international perspectives on migration and youth and analyses what kinds of effects such demographic changes are having on educational systems around the world. The chapters in this volume provide a fascinating insight into how countries around the world are dealing with loss or growth in their young population as well as changes to their education systems. Written by specialist academics from the relevant country, the book covers Cuba, Lithuania, the United Kingdom, the United States, Finland, Greece, Germany, Austria, Hungary, Latvia, China, Australia, India, Italy, and Poland. Taking into consideration the countries' social and political context, the chapters discuss educational issues surrounding curriculum, assessment, and the opportunities available for the support of young people. Conclusions are drawn about what could be done in the future for the benefit of both the migrant and the existing populations. *The Shifting Global World of Youth and Education* will be of great interest to academics, researchers, and postgraduate students in the disciplines of education, sociology, political sciences, and social work. The book will also give secondary teachers, teaching assistants, social workers, and youth workers the opportunity to reflect on their role within a national and international context. **New**

Perspectives on Willingness to Communicate in a Second Language Nourallah Zarrinabadi, Mirosław Pawlak, 2021-05-03 This edited collection provides a state-of-the-art overview of research on willingness to communicate (WTC) in a second and foreign language. In particular, it includes innovative studies seeking to demonstrate the ways in which WTC can be examined within the framework of complex dynamic systems, how the construct is related to self-assessment, reticence, and extroversion, and what it signifies in the case of immigrants. Another group of papers is related to the role of technology in fostering WTC in different contexts. The volume also comprises papers that touch on methodological issues in the study of WTC, such as experience case sampling, the network approach, or the integration of the macro and micro perspective. The book will be of value to researchers interested in the study of WTC but will also provide inspiration for students, teachers, and materials writers. *NTA UGC NET Paper 1 Topic-wise 50 Solved Papers (2019 to 2004)* Disha Experts, 2020-07-04

International Student Engagement in Higher Education Margaret Kettle, 2017-06-15 Hand in hand with the continuing drive to recruit international students to Western universities goes an interest in student engagement. However, it is often unclear exactly what is meant by engagement. This book goes beyond the policy rhetoric to provide a practice-based explication of international student engagement and its enabling institutional conditions. By utilising a social practice conceptual model, the book explains the multiple dimensions of engagement that are often conflated in policy: the antecedents to engagement, the actions of engaging, and the achievements and outcomes of engagement. As a result, the book is able to address issues such as how English comes to matter in international student academic practice, the teaching and assessment

approaches that promote international student engagement and the metacognitive cognitive and affective strategies that international students use to achieve academic and personal transformation **Teaching Korean as a Foreign Language** Young-mee Yu Cho, 2020-10-20 Teaching Korean as a Foreign Language Theories and Practices is designed for prospective or in service Korean as a Foreign Language KFL teachers With contributions from leading experts in the field readers will gain an understanding of the theoretical framework and practical applications of KFL education in the context of Second Language Acquisition SLA The eight chapters explore the history of and current issues in language education the practicalities of being a classroom teacher and teaching and evaluation techniques for developing language and cultural proficiency This comprehensive volume also includes an annotated bibliography which lists over 500 of the most recent and pertinent research articles and doctoral dissertations in the area This bibliography will be of great service to students teachers and any researchers in applied linguistics and second language acquisition interested in Korean language education

English Second Language Paper 1 June 2013 Introduction

In today's digital age, the availability of English Second Language Paper 1 June 2013 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of English Second Language Paper 1 June 2013 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of English Second Language Paper 1 June 2013 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing English Second Language Paper 1 June 2013 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, English Second Language Paper 1 June 2013 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing English Second Language Paper 1 June 2013 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are

primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for English Second Language Paper 1 June 2013 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, English Second Language Paper 1 June 2013 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of English Second Language Paper 1 June 2013 books and manuals for download and embark on your journey of knowledge?
