## **English Victorian Poetry An Anthology:**

The Broadview Anthology of Victorian Poetry and Poetic Theory Thomas J. Collins, Vivienne J. Rundle, 1999-08-17 The Broadview Anthology of Victorian Poetry and Poetic Theory is the most comprehensive collection of poetry from the period ever published. Included are generous selections from the work of all major poets and a representation of the work of virtually every poet of significance from Thomas Ashe at the beginning of the era to Charlotte Mew at its end. The work of Victorian women poets features very prominently with extensive selections not only from canonical poets such as Elizabeth Barrett Browning and Christina Rossetti but also from poets such as Augusta Webster for which high claims have recently been made by critics. The anthology reflects and will contribute to the ongoing reassessment of the canon that is central to English Studies today. In all, sixty-six poets are represented. The editors have included complete works wherever feasible, including the complete texts of Tennyson's *In Memoriam* and of a number of other long poems. A headnote by the editors introduces the work of each poet, and each selection has been newly annotated. The inclusion of twenty-five selections of the poetic theory from the period is an important feature rounding out the anthology. This anthology is also available in a concise edition.

*English Victorian Poetry* Paul Negri, 2012-03-02 Over 170 beloved poems by the major poets of the 19th century, including works by Tennyson, Browning, Arnold, Rossetti, Meredith, Swinburne, Hopkins, Kipling, and others. An introduction and biographical notes on the poets are included.

*Victorian Poetry* Francis O'Gorman, 2004-06-18 *Victorian Poetry An Annotated Anthology* is a fully annotated and illustrated collection of Victorian poetry. Features a generous selection of work by all the major figures of the age, including Matthew Arnold, Elizabeth Barrett Browning, Robert Browning, Alfred Tennyson, and Oscar Wilde. Presents several long poems in their entirety, such as Arnold's *Empedocles on Etna*, Clough's *Amours de Voyage*, Meredith's *Modern Love*, and Tennyson's *In Memoriam*. Each poet is introduced by a biographical headnote. Each poem is introduced by a headnote giving publication details, biographical facts, contextual material, and other information. The poems themselves are all fully annotated. Extensive introductory material enables readers to read across the volume chronologically, thematically, or by individual author. Features twelve black and white illustrations of images referred to in or relevant to the poetry.

*Working-Class Women Poets in Victorian Britain* Florence S. Boos, 2008-06-12 Though working-class women in the nineteenth century included many accomplished and prolific poets, their work has often been neglected by critics and readers in favour of comparable work by men. Questioning the assumption that few poems by working-class women had survived, Florence Boos set out to discover supposedly lost works in libraries, private collections, and archives. Her years of research resulted in this anthology. *Working-Class Women Poets in Victorian Britain* features poetry from a variety of women, including an itinerant weaver, a rural midwife, a factory worker protesting industrialization, and a blind Scottish poet who wrote in both the Scots dialect and English. In addition to biographical information and contemporary reviews of the poets' work, the anthology also includes several photographs of the poets, their environment, and

the journals in which their poems appeared      *The Victorians* Valentine Cunningham,2000-04-14 This magnificent anthology presents the cornucopia of Victorian poetry within a single volume      **Decadent Verse** Caroline Blyth,2009 A critical collection of late Victorian poetry fully annotated and explored bringing to life the often overlooked but integral verse of the period      **Victorian Poetry: An Anthology** Erik Gray,Veronica Alfano,2025-04-23 The first new anthology of its kind in twenty years Victorian Poetry provides generous selections of poetry both by well known Victorian poets Alfred Tennyson Robert Browning Christina Rossetti and by writers who have received less critical attention Constance Naden Toru Dutt Grace Aguilar Detailed annotations substantial biographies and an introduction outlining major literary and historical trends of the Victorian period ensure that the anthology will be useful both for specialists and for students encountering these poems for the first time A companion website features additional poetry selections of critical prose and four appendices that group together poems related by genre geography or subject      Victorian Poetry, 1830 to 1870 Patrick Scott,1971
