

## Part 1

**Directions** (1–24): Closely read each of the three passages below. After each passage, there are several multiple-choice questions. Select the best suggested answer to each question and record your answer on the separate answer sheet provided for you. You may use the margins to take notes as you read.

### Reading Comprehension Passage A

#### Caramelo

One would think now that she was living in Chicago, in the same city as her [favorite son] Inocencio, the Grandmother would find happiness. But no, that wasn't the case. The Grandmother was meaner than ever. She was unhappy. And didn't know she was unhappy, the worst kind of unhappiness of all. As a result, everyone was in a hurry to find her a house  
5 of some sort. A bungalow, a duplex, a brownstone, an apartment. Something, anything, because the Grandmother's gloominess was the contagious kind, infecting every member of the household as fiercely as the bubonic plague.

Because Baby [Inocencio's brother] and Ninfa's apartment had room to accommodate a guest, it was understood the Grandmother would stay with them until she could find a  
10 house of her own. This had seemed all well and fine when the plans were made long-distance with Uncle Baby shouting into the receiver that he insisted, that he and Ninfa wouldn't think of her staying anywhere else, that the girls were thrilled she was coming. But now that she was actually sleeping in [granddaughter] Amor's narrow bed with radios and  
15 televisions chattering throughout the apartment, and doors and cupboards banging, and the stink of cigarettes soaking into everything, even her skin, and trucks rumbling past and shaking the building like an earthquake, and sirens and car horns at all hours, well, it just about drove her crazy; even the rowdy Chicago wind, a rough, moody brute who took one  
look at you and laughed. ...

All day and all night the expressway traffic whooshed past, keeping the Grandmother  
20 awake. She napped when she could, even when the apartment and its inhabitants jabbered the loudest. She was tired all the time, and yet she had trouble sleeping, often waking once or twice in the early morning, and in her sleeplessness, padding in her house slippers to the living room, where the frost windows looked out onto the lanes of traffic, the expressway  
billboards, and the frighteningly grimy factories beyond. The trucks and cars, furious to get  
25 from here to there, never paused for a moment, the sound of the expressway almost not a sound at all, but a roar like the voice of the sea trapped inside a shell.

She pressed her forehead against the cold glass and sighed. If the Grandmother had consulted her feelings, she would've understood why it was taking her so long to buy a new house and settle in Chicago, but she was not a woman given to reflection. She missed her  
30 old house too much and was too proud to admit she'd made a mistake. She couldn't go backward, could she? She was stuck, in the middle of nowhere it seemed, halfway between here and where?

The Grandmother missed the routine of her mornings, her three-minute eggs and  
35 *bolillo*<sup>1</sup> breakfasts. She missed rubbing her big toe along the octagon tiles of her bathroom floor. But most of all, she missed her own bed with its mattress sagging in the center, the familiar scent and weight of her blankets, the way morning entered gradually from the left

<sup>1</sup>*bolillo* — crunchy roll
